## Deepen The Ties That Bind

**Dr. Jeff Roberts, Senior Pastor** • jroberts@tbcraleigh.com • Twitter: @Jeff\_\_Roberts

As I write these words, our Construction Committee confirms to me that we should be able to worship in the Sanctuary on Feb. 4th. In February there will be some final touches and furnishing of our new space, but we will be able to occupy the space on Feb. 4 for worship. During the month, under the direction of our Sunday School Council, our classes will begin to make moves to new Sunday School rooms including the occupying of the new classrooms. During this period of time, furniture for the Narthex and some other spaces will arrive. Our plan is for March 11 to be our dedication day. On March 11, we will have Sunday School and one worship service together, followed by lunch, as we will spend the day celebrating what God has done.

As we approach the final Sunday in the ROC, I want to encourage you to be a part of this special time of worship. When we left the Sanctuary 16 months ago, I urged you to celebrate this time of transition. As we thought about all the important moments that occurred in the Sanctuary, I wanted you to know that it was okay to weep over the loss of a space that had been sacred and holy to us. I also encouraged you to remember that where God's people gathered was sacred and holy space. We made our move into the ROC with both anxiety and excitement. We were not sure if it was going to be the same, different or something we had not imagined. I think we could agree that it was something that we could not imagine.

Over these 16 months the church has demonstrated resiliency, unity and flexibility. The ROC has become a place for many of us that is more than a gym. We held funerals, weddings and baby dedications in this sacred space. The chairs will be moved to the new building, ball games and exercise classes will once again replace worship services in the ROC, but it will always be a special place for us as a congregation. In this sacred space for the last 16 months, God has been ever present and speaking to us. I know that moving forward there will be days when we will walk into the ROC for an event, and, if even for a moment, we will not just see a gym, but we will see that space as something more. We will see it as a place where God is present and God is at work.

I cannot thank our custodial staff and transition team enough for the hard work they have performed and will continue to perform. Their incredible work has made it possible for us to meet and worship every week without fail. They have been the faithful ones behind the scenes that have made an incredible contribution to the future of our church. We are blessed to have such dedicated employees and volunteers.

I will be looking for you as we gather this one last time in the ROC for worship. We will give thanks for all God has done and all God is doing.

## FOOD DRIVE & Love Offering

**FEBRUARY 18**

Each of the 6 times a year that we celebrate the Lord's Supper in worship, we take up a Love Offering and do a Food Drive to benefit North Raleigh Ministries – our Collaborative Benevolence Ministry of a dozen churches in N. Raleigh that Helps Our Neighbors In Need. NRM lets us know exactly what food items they need to help with 160 Back Pack Buddies or to stock the Food Pantry.

### ITEMS FOR THIS DRIVE:

SMALL TUNA CAN, GREEN BEANS, CORN

The church provides large containers around our campus into which donors will place the food. THANKS SO MUCH to our Middle Schoolers on Mission that Sunday afternoon who will pick up the donations and deliver them to NRM.

PLEASE PLAN NOW to participate in both the Food Drive and the Love Offering. Make checks out to NRM and put in the offering plates held by ushers at the sanctuary doors as you leave. Thanks so much!!

**This year's training will be in Durham County, March 2-3 or Nash County, March 16-17.**

God calls out individuals and groups to accomplish His Will. We are His hands, His feet, and His mouthpiece. To be a part of this ministry, call Mark Munday at 919-848-2451.

## Belize Mission VBS

**June 21 - 29**

**Santa Elena Baptist Primary School**

Trinity and several other NC CBF churches have spent 8 years building this school which is in full use with 160+ children and 6 teachers. This final mission team in our partnership with Santa Elena Baptist Church will attend the first graduation ceremony of the school and do a 5-day (3-hours a day) VBS for the school children as a part of their last week of school. Rhonda Gubbins has agreed to serve as VBS Director and work hand in hand with the School Principal, Anna to make this the best week ever at the school.

It is time to pull a team together! We are looking for 18 people (college & adults) – VBS teachers, recreation leaders, craft leaders, and musicians who play and sing with guitar. The cost for the trip will be around \$1475 +/- based on airfare when we purchase tickets. Partial assistance is available through the Shaw Missions Fund.

To find out more information or volunteer, contact Hal Melton at hmelton@tbcraleigh.com. Don't wait – this will fill up fast!

# Music Ministry

Rev. Steve Byers, slbyers@tbcraleigh.com

## Music Notes

**Special thanks to our accompanists, Barbara Bowen, Ramona Green, and Wayne Rogers for their continued excellence at the keyboards.** These three are wonderful teammates to work with at TBC, and I ask that you continue to thank God for our music ministry leaders who have kept things running while we have been out of our Sanctuary. Keyboards are not quite like a piano or organ in many ways, but these 3 servants have tremendously kept us moving forward with beautiful selections for our worship. It won't be long before we hear them in their natural places in the renovated sanctuary, which is a day I cannot await much longer!

**The winter weather has impacted our rehearsal schedules on Wednesday nights this January.** It is all the more important as we get closer to February 4 and March 11 that we make the ones we have left count for us to be prepared for these magnificent days in the new building. Choirs, please check your calendars and plan accordingly! We all know what missed rehearsals can do to us and the worship schedule. Thank you for your leadership and patience.

**There are many musical ensembles and groups that are beginning their seasons** of worship music preparation. The PrimeTimers Choir, our Sr. Adult Choir, rehearses each Tuesday morning at 10 am. Living Praise, New Covenant, and the Trinity Orchestra are already rehearsing and enjoy additional recruits who want to join in the musical fun. Each of these ensembles rehearses on Wednesday evenings prior to Sanctuary Choir. It is always a good idea to check with a director first and gain more information about our music ministry, but for any information in general, please contact Steve Byers in the church office.

# Education & Families

Rev. Karen Metcalf Eickhoff, kmetcalf@tbcraleigh.com

## PARENT TOPIC: Responsible but Inadequate

I have been reading in preparation for the next "Becoming like Christ" series on the Family. One article on faith development brings up the point that many parents feel inadequate to do many of the things that they feel they ought to do for their children. One area is with discussing and answering the religious inquiries of their children. Some may even evade or ignore the issue completely. Relying instead on a church leader or pastor for their child's understanding.

It is good for parents to be able to rely on the pastor or staff member at such a crucial time, but how much better for the parents to become directly involved in the conversion and spiritual growth of their children. We are here to help, to offer support, and to encourage your child and your family in the process. There can be no greater joy in the lives of parents than to lead their children to that expression of faith in Jesus.

This and other parenting issues will be discussed in February. Come and join us on February 11 as we begin a journey of discovering how to best express Faith within one's family.

## Using Our Church Calendar to Teach Our Kids

As I was working on a bulletin board for the preschool hall this week I got to thinking how much our church calendar can help us to teach our children about church. For example in February we have a mission trip to South Africa, Ash Wednesday, Souper Bowl of Caring, Church Conference, Blood Drive, and Children's Day... and that's just February! What an opportunity to teach our kids about things at church. Here are a few explanations of some of things we do here at Trinity:

**Souper Bowl of Caring:** Youth across the nation working to fight hunger and poverty in their own communities around the time of the Super Bowl football game.

**Church Conference:** A meeting where we discuss the business of the church. We talk about budget, upcoming events, building updates, and more. We get updates about our mission projects like North Raleigh Ministries which provides our neighbors in need of help with food or money.

**Ash Wednesday:** This is the first day of Lent. It is an important holy season that leads up to the most important day of the church year – Easter, where we celebrate the resurrection of Jesus! The period begins on Ash Wednesday and then there are 40 days (minus Sundays) until Easter.

**Mission Trip:** The Bible tells us to go and make disciples of all nations. "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age" Matthew 28:19-20. That means God wants us to tell others about Him and how He loves them! On mission trips we work and serve others while meeting new people. When we go on mission trips here at TBC we go to places for a short period of time. Our church goes to places like South Africa, Belize, Ukraine, and places throughout the United States. We have a missions Minister and his name is Rev. Hal Melton.

### THE BAND AID PROJECT

The Band Aid Project! The goal of the Band Aid project is to help provide cool and fun bandages to kids that need them, Transition LifeCare, a hospice organization, recently began a pediatric hospice unit. A sad reality of this world is that children need these kind of services.

Transitions Kids has discovered that a band aid is a pretty significant thing. Often times, kids are allowed to hold onto a band aid during uncomfortable procedures, and when they are all done, they get to put the bandage on as a final sign of completion.

We invite you all to bring in fun and cool band aids for our project this winter and fall. Look for the bins on the preschool hall. Lets shower these kids with love!
