Following Jesus...

Dr. Jeff Roberts, Senior Pastor
jroberts@tbcraleigh.com • Twitter: @Jeff__Roberts

We began our New Year with great news from our Capital Campaign Team. Our Co-Chairperson, Fred McDuffie, reported that we had as of the first of the year 476 pledges that totaled over \$4.1 million. In addition, we have already received \$438,613 in gifts against the pledges. Please remember you can contact Jan Brown in the office about any questions in fulfilling your pledge. Our Trustees will be meeting this week and will recommend our next steps toward our project. I am so grateful for the generosity of every member of our congregation during 2013 and for all who have chosen to be a part of this campaign. Our leadership team has done a tremendous job under the guidance of Fred McDuffie and Harry McDonald. Thank you to everyone who made our campaign a success. To God Be the Glory!

I am looking forward to our Discipleship courses this winter. In particular, I want to invite you to be a part of our five-week study on the book of Daniel. Dr. Barry Jones, Old Testament Professor from Campbell Divinity School, will be leading our sessions on Wednesday nights in the Chapel. We begin at 6:15 p.m. and hope you will choose to join us for this time of Bible Study.

As we begin a new year, there is much to be excited about at our church. God is moving among the people at Trinity and every week. I see members finding their place of service and new faces coming to join us as we join hands with God. Please be in prayer for our church as we embark on this important year of ministry. It is a joy to be your Pastor.

Smoke on the Mountain

At the Temple Theatre in Sanford

Thursday March 6 • 12:30 - 5:30 pm

Cost: \$19, Due Friday February 14

This wonderful production, featuring two dozen rousing bluegrass songs, tells the story of a Saturday Night Gospel Sing at a country church in North Carolina's Smoky Mountains in 1938. Pastor Oglethorpe is trying to bring his tiny congregation into "the modern world." You will be laughing, singing, and clapping along as one thing after another goes awry and they reveal their true and hilariously imperfect natures.

We'll return before dark, so don't worry about driving at night after this outing! Sign-up and get your check made out to TBC into the office no later than Friday, February 14. Call Kathy Driver at 919-621-0236 if you have questions.

McCreary Co., KY Summer Mission Opportunities

Construction & Vacation Bible School

July 19-26

We will continue our Rural Poverty Initiative mission in one of the poorest counties in the US this summer. One team will work on substandard housing through Hills and Hollers Ministries as we have done for many years. The other team will plan and lead a Vacation Bible School for children in need physically and spiritually at the Eagle Community Center. Cost of these week-long missions is \$275 including transportation, lodging, meals and T-shirt. Cost of building materials and VBS supplies is covered by our TBC Missions Budget. If you are interested in participating on either of these teams, please sign-up on the Narthex Registration Board. Planning will begin soon, so don't wait!

Companions Along The Way

**Begins Wednesday, January 8
6:15 pm • Parlor**

One of our many opportunities for spiritual formation through our Discipleship ministries at TBC is a small group gathering each Wednesday evening from 6:15 to 7:30 in the church parlor I call "Companions Along the Way". This is a time of quiet reflection and silent prayer that many find wonderfully refreshing in the middle of a busy week. In addition, we read a book together on some aspect of our journey of transformation into the image of Christ. This winter, we will read and discuss a foundational classic on personal spiritual practices that you can use to deepen your sense of God's presence and peace, learn the value of reading scripture for formation in addition to information, and enjoy enhancing your spiritual journey. The book is "Soul Feast" by Marjorie Thompson, and copies will be available for \$10 at the first gatherings. Please come and join us, simply as companions on our journey of faith. – Rev. Melton

Winter Marriage Retreat *Myrtle Beach*

February 28 - March 2 • Friday Evening - Sunday Worship

New location this year at the Beach Colony Resort with its roomy condominiums overlooking the ocean. This year's retreat will return to a theme that was one of the most popular we have done in the past, but one that needs to be revisited from time to time... "The 5 Love Languages."

Knowing your spouse's primary "love language" and USING it habitually to strengthen your relationship are two different things. We'll have a lot of fun

learning together, and also hearing testimonies about the positive results that can come from putting this information into practice.

Cost: \$249 per couple: includes lodging, snacks and program fee. Meals are additional, but you have a kitchenette in your condo. \$100 deposit due now.

**Sign-up by contacting Hal at:

Looking for a choir or ensemble to participate in this new year? We have many choirs and ensembles where you can come and be a part of a great musical fellowship. From time to time, I hear the words, "I've thought about joining the Adult Choir, but they don't need me up there." Yes, we do! And we need you in other groups as well! Our FirstLight choir, which serves the 8:45 am service each Sunday, looks for new members to come and join them in singing God's praises as well as the Adult Choir and the vocal ensembles of Trinity. So many places are available to serve. If you have instrumental skills or vocal capabilities and haven't plugged in yet, don't let another year go by without finding a place to serve in music ministry.

Words from Lydia

Over the past couple of weeks, Dr. Roberts has reminded us of God's plan - that Christ's birth was God's plan. That from the time of the Fall we all have experienced detours, derailments, and disappointments. And, make no mistake, God has experienced them with us. But, God's continued presence with us through Noah, Abraham, Moses, and the Prophets allowed for us to know God's ultimate plan for the redemption of the world through Jesus. God's plan, though planned, was not straight, or easy, or predictable. Sometimes God's plan seemed then and seems now invisible or non-existent. We, like David in Psalm 13, wonder how long God will hide His face from us. We can lose sight of God's promise to us and we can lose touch with the God who never leaves us or forsakes us. But, God's plan is trustworthy and constant - even when our faith falters.

Finding and living with peace through upset, turmoil, and change looks like this: trust God's presence with and plan for us, and the second is like it, trust your neighbors (your fellow Christians) with your life. Will you have trouble? Most likely. Will you have stress? Most certainly. But, will you have help? Will you have support? Will you be loved? And, will you be cared for? Yes. Yes. Yes. Yes.

HS Spring Break Mission Trip

Brunswick & St. Simon Island, GA

March 30 - April 5 • Cost: \$250

This year, we will travel to St. Simon's Island, Georgia and Epworth by the Sea where we will find rest and relaxation after days full of mission work in neighboring Brunswick. **Registration and fees of \$250 are due no later than January 31.** Additional brochures can be found in the Narthex or www.lifehonestly.com.

God's plan for you is life, and life abundant. And, it may not look like you would plan; but God's constant presence and unconditional love for you ensures that though earthly trials may come, eternal life is the ultimate end; it is the last stop; it is the final destination on your itinerary. So, this year as you are making your resolutions, make this your resolution: to live life, and live it in the abundance of God.

A Quality Standard of Care

This is one of my mantras this year. To promote and educate parents, leaders and visitors about the quality standard of care for all children and the maintenance of the facility entrusted in our care. We have some fundamental guidelines within the Children's ministry that guide our teaching and caring for preschoolers and children. Our goal is to encourage safety, security and sanitation so that quality teaching can occur within a carefully structured and clean environment.

Why is this important? In today's world, families are searching for security. They expect to leave their children in a clean facility and want the safest environment as possible. This is not anything new—but it is more prominent and heightened than in previous years. We believe we should provide such an environment and be able to assure parents, and also demonstrate our attempt to provide such an environment during all programs

and events at Trinity. I am challenged by the task and overwhelmed by the necessity. However, my purpose is to bring assurance to parents so that quality teaching of the Bible and presenting the gospel is heard and internalized. That should be our ultimate goal.

How will this be accomplished? 1. Policies exist that currently include all programming and events in which preschoolers and children participate. A security task force is updating and reviewing our current policies and to make them more current and efficient. 2. Teachers, leaders and parents will be given policies to review and understand. Current ones are provided in various locations around the church or in the church office. Leaders will be given policies at time of training or enlisting. 3. Leaders will work with supervising ministers and/or division directors on proper maintenance and care of facilities used during their programming. Standards will be developed by supervising ministers and presented to leadership. 4. Workers with children, please take the time to attend sessions provided this year on First Aid or CPR to stay informed.

What is your role? Parents, you can inform all leadership of the needs of your child, share with each leader the security tag or pager you secured and only bring your child when he/she is healthy and not contagious. As a parent, fellow educator or fellow user of the facility, we applaud your efforts to be consistent with our programming and use of the facility. We are grateful that you care about the children in your care and willingly maintain the proper security, safety and sanitizing measures in place. Please continue to alert us to concerns, inappropriate use of space and possible tips to help the ministerial leadership plan better. This may be uncomfortable at times as we attempt to get all programs on board. So you can help by encouraging our leadership and fellow users of the importance and goals we are trying to reach. You can also encourage our task force as they work toward our desires in the best way and provide security for all.

Thank you.
