Joining Hands with God

Dr. Jeff Roberts, Senior Pastor

jr Roberts@tbcraleigh.com • Twitter: @Jeff__Roberts

As many of you may have heard Mrs. Denise Crumpler, who has served as our founding Director of North Raleigh Ministries for the past 11 years, has recently resigned. I am grateful to Denise for her service through all the changes and growth of North Raleigh Ministries. If you have an opportunity, please let her know of your appreciation. This important ministry continues to give assistance to so many of our neighbors in North Raleigh. As one of the founding churches, Trinity continues to be a large supporter of North Raleigh Ministries not only financially, but also in provision of volunteers. I want to thank everyone who has worked with Denise over the years to help this ministry grow. I also want to encourage our volunteers to remain faithful during this transition period, and I would encourage others to find ways to volunteer and get involved in this ministry. Please be in prayer for the Board of Directors who will be in the process of securing a new director.

One way we continue to support North Raleigh Ministries is our benevolent efforts on the days we gather at the Lord's Table. This coming Sunday, May 17 we will again gather at the Lord's Table for the Lord's Supper. It is always a special moment to gather together with the Lord's Supper as our central moment of worship. On the days we observe the Lord's Supper, we also remember those in our community who are in need. This Sunday we will again receive a benevolence offering for North Raleigh Ministries at the end of our service. In addition, you are encouraged to bring can food items that will be collected at the doors by our Young Adults as part of the NRM food drive. I look forward to being with you in worship on this special day.

On Wednesday night, May 20, we will have a special guest with us during our Pastor's Bible Study at 6:15 p.m. in the Chapel. Dr. Chad Rimmer will be with us to share about

Every winter, the remote mountainous volcanic forests of Mexico are home to one of nature's greatest gatherings—hundreds of millions of migrating monarch butterflies weathering the winter. For centuries this miracle was hidden from all but a few. When it was revealed to the world it was hailed as one of the greatest discoveries in nature. It also unveiled the longest insect migration on Earth. How do these tiny and iconic creatures travel so far and know where to go each year to a place they have never been? This epic natural history saga is interwoven with the fascinating detective story and a determined scientist's almost 40 year search to find their amazing overwintering sites. After this fascinating adventure, we'll walk across Moore Square to Big Ed's to enjoy a delicious lunch.

Building Missional Communities for the Transformation of Our City

Small Groups Beginning

This summer, young adults who are rising seniors in high school through graduating seniors in college are invited to build with us small groups who gather to pray and seek after God's own heart for our local community.

We will meet in small groups throughout the city each week to pray for one another and for our city. We will discover together our passion for God's mission in Raleigh, and we will mobilize to be good news in our neighborhoods by serving and sharing.

Come check it out and see where you, your gifts, and your passions can take you as you seek to shine the Light for Raleigh this summer.

Education & Families

Rev. Karen Metcalf Eickhoff, kmetcalf@tbcraleigh.com

Mission Education

Mission Education is alive and well at Trinity for our age graded programs. Our preschoolers and children are discovering each week about missionaries, mission work and mission causes. On Sunday night, May 17, we will have choir presentations and a mission recognition service for our children. GA and RA classes will be handing out Blessing bags for you to keep in your car and have ready to hand to someone you see in need. They will also hand out a reminder for all of us to 'Tell the Good News!' I know you will want to join in the fun.

Let me tell you about our mission classes:

GA stands for Girls in Action!

GA is the mission organization for girls in grades 1-5 at Trinity Baptist.

Girls are in action for Christ. They are doing Mission in their church, their community, and their world. Through GA, girls learn about, pray, give to, and do mission work. They also make new friends and have fun.

RA stands for Royal Ambassadors

Royal Ambassadors (RA) is the mission organization for boys in grades 1-5 at Trinity.

RA provides an opportunity for boys to develop Christian character through missions involvement and virtue commitments, in addition to growing spiritually, physically, mentally, and in relationships with others.

Mission Friends

Mission Friends is the mission organization for preschoolers, birth through kindergarten.

Preschoolers become aware of God's love, and they learn that others need to hear about this good news. Preschoolers learn through hands on activities, sensory activities, active play and model praying together.

Mission Education is teaching and training future missionaries.

Join us on May 17 as we share in music and mission worship!

The Little Child I'm Building

by Valerie Martin Bailey

Great rulers build vast kingdoms,
but those kingdoms rise and fall.

Famed engineers build bridges,
and skyscrapers, soaring tall.

The celebrated of this world build
reputations, grand, while

Financiers build bank accounts
and power to command.

Egyptians built the pyramids
that stand until this day,

But even these amazing works
will crumble in decay.

Daydreamers build on fantasy and
hope their dreams come true.

The prejudiced build walls of hate~
select who passes through.

But I am building one small child,
whose worth can't be appraised.

My heart is held in those small
hands so trustingly upraised.

A treasure God has given me,
so I must build with care,

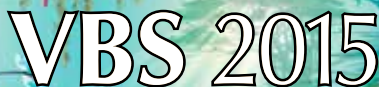

For this is an eternal soul ~ It's
precious, priceless....rare.

When kingdoms and great works
of art have molded into dust;

When wealth and power dissipate
as all earth's treasure must,

The little child that I have built must
stand before God's throne,

So let my child be firmly built,
on Christ, the Cornerstone.
