## Joining Hands with God

**Dr. Jeff Roberts, Senior Pastor**

jr Roberts@tbcraleigh.com • Twitter: @Jeff\_Roberts

This past Sunday evening, our Trustees and Facilities Master Planning Committee presented their final proposal to our congregation concerning the construction of our Capital Building Project. I believe we had a moment as I described in my sermon and in last week's article as "Holy Discernment." The spirit of our meeting was both informative and challenging to what God has for us in the future. I again remembered why I love our congregation, as we discussed a very important matter and yet along the way we laughed and we cried and shared our dreams and hopes for the future. What I am always so impressed with in moments like this is the love that we share for our church and its ministry. In this process, I have had many conversations with people who have either supported the building project or have not supported the building project. I have had conversations with those who are neutral and simply willing to follow the lead of the church as a whole. What I have discovered in each of these conversations is an expression of deep love for Trinity and its ministry. No matter what one's opinion about the project might be, it is evident everyone's desire is for Trinity to hold on to its unique witness in our community.

This coming Sunday, May 22, we will have the opportunity to vote on the proposal of the Trustees and Facilities Master Planning Committee. This will take place at the end of both worship services. I encourage you to continue to pray as we make this decision together.

One of our core values is Fellowship. We believe that Fellowship must be intentional. The summer is a great time for us to be intentional about fellowship as we suspend some weekly ministry activities for others. We will kickoff the summer with a Fellowship Dinner on June 1. This is our annual Coopers BBQ Dinner. The tickets are \$8 and can be purchased before and after Sunday School in the Narthex. In addition, they can be purchased in the church office or on Wednesday nights during supper. This evening will be filled with music from our Children's B.E.A.T.S. program as well as a night of us presenting all that will be happening at Trinity during the summer of 2016. It is always a fun night. Get your ticket this week.

## Following Jesus... *continued*

In addition, we are planning several other moments of fellowship during the summer. Each Wednesday night we will have our Summer Bible Study. This year, we are calling it "Summer Songs." We will be studying selected Psalms. This series will be led by some of our gifted Bible teachers. I am excited to get to hear some of our Sunday School teachers lead these sessions. This is a time of fellowship, because it is intergenerational in nature. It is a great time to meet others in the church that may be of a different age or go to a different worship service. The study is each Wednesday at 6:30 pm in the Chapel. Childcare is provided by request.

Finally, back by popular demand, we are reinstating our 4x4 ministry. The 4x4 ministry is an intentional time of fellowship between the families in the church. We will match four families into fellowship groups and ask that you seek to have dinner together four times during the 2016-2017 church year. We will begin to sign up at our BBQ dinner and throughout the summer. The 4x4 groups will begin to meet in the fall.

There are many other moments this summer when we can connect and fellowship together and we will be sharing them in the next few weeks. I hope that you will make the fellowship of our congregation a priority for you and your family. Let us continue to "Deepen The Ties That Bind."

## Ukraine Medical / Dental Mission

May 18 - 27

*Please Lift In Prayer!*

This week's mission to work with the Roma Gypsies on the western border of Ukraine is going to be amazing – the team is already excited with anticipation of what God is going to do in and through us. The planning of this year's trip has had its challenges– even for NC Baptists on Mission and Hungarian Baptist Aid through which we are serving. Long story made short – getting medications and dental supplies was a huge challenge. We took our own last year, but were told several months ago that this was impossible this year. We would have to find and purchase our supplies there.

A couple of weeks ago, we still did not know how God would work this out. Eszter Kiss with Hungarian Baptist Aid was working hard to locate the medical supplies in Ukraine. Dr. Randy Macon from TBC - the team's only dentist – was working on the dental supplies. He decided to Google Christian dentists in Ukraine. His dental assistant contacted one of the hits, and was told that a retired dentist who had made over 40 dental missions to Ukraine could give Randy the details and contacts to get everything we needed...and he lives in Raleigh, NC! Randy has now made contact with a wonderful Christian mission dentist in Ukraine who is ordering everything we need and bringing it to us.

### **Please pray for the Team and Mission daily.**

## Music Notes

**Special thanks to New Covenant for leading in morning worship and to all of the musicians who participated in the Ensembles and Orchestra Concert this past Sunday.** Under the leadership our gifted directors and accompanists, all of them together have worked diligently this season. We have had a great year, and now it is time to take a few months for rest. The Orchestra will continue through Sunday, May 22.

Preschool children will still continue in their music for 4's and 5's with Sally Melvin.

Grade 1 students will explore "Tap Bells" with Alma Hoffmann.

Grades 2 and 3 students will have fun with hand chimes taught by Sylvia Pearce.

**Student Choirs will sing in the Graduate Service on June 5.** All students are asked to be in the sanctuary at 10:30 am to go over their music for the morning.

## Join a Choir for the Summer!

This is a very good time to come and join a choir at Trinity. Both FirstLight and Sanctuary Choir are still active during the summer months, though many of our other ensembles have stopped for a few months. We are especially in need of singers for FirstLight, our worship choir for the 8:45 am service. Depending on the church vote on the new building project, we will certainly be in need of singers to lead in worship while we are in the gym. Consider how God is calling you to serve and join a choir!

## Volunteers DO NOT Necessarily Have the Time: They Have The Heart.

– Elizabeth Andrew

**Looking for Volunteers with Heart.**

**Looking for Volunteers with commitment.**

**Looking for Volunteers with a Faith to share with our children and young adults.** Please consider sharing your faith and making a spiritual memory in the life of a child. We have some key leadership openings for this coming year. Are you willing to keep the promise you made on Sunday during the Parent-Child Dedication and lead by example and heart?

Please consider how you will let God use you this year. We have a wonderful opportunity within our grade school Sunday School to share your faith and encourage our children. We also have some areas within young adults to share and nurture a young

mind. Our community is changing and reaching new single adults and families. Take a step of faith and leadership.

## Words from Katie

VBS is quickly approaching. You can help by PRAYING for this event. One of the most important things we can do is to pray. God is able to do, “immeasurably more than we ask or imagine according to His power that is at work within us.” (Ephesians 3:20). Prayer will help us all to experience all that God can do in and through our VBS. I ask you to make it a priority to pray for our upcoming VBS. Some ways that you can help us pray include:

- Wisdom in all aspects of planning our church’s VBS
- God’s guidance, wisdom and peace in our lives
- The volunteers – that they would have willing spirits to minister to the children
- Preparation of the hearts of all those who attend VBS!
- For it to be a fun and meaningful week.

*Come catch the Wave with us during this week together! Don’t Miss it!*
