Joining Hands with God

Dr. Jeff Roberts, Senior Pastor

jroberts@tbcraleigh.com • Twitter: @Jeff__Roberts

This summer our theme for preaching will be “People Jesus Met.” Throughout the summer we will explore gospel texts that tell a story about an encounter with Jesus. We want this to be more than a sermon series but a time of dialogue with one another and our world. Toward this end, I am inviting you to respond and interact with me, the church and the world through social media or more traditional methods to create an awareness of the presence of Jesus each and every day in our lives. There are several ways you can respond each week.

You can:

- Take one of the cards in the Narthex entitled “People Jesus Met” and write a note about how you experienced the presence of Jesus this past week. You can tape it on the window in the Narthex for others to read and for us to share on our blog.
- You can tweet at us at @TrinityBaptistR a message of 140 characters or less about God’s presence in your life. Remember to give it the hash tag peoplejesusmet.
- You can also follow us on Instagram and you can share a picture about God’s presence. You know that a picture is worth a 1,000 words. Our Instagram account is tbcraleigh.
- You can also send an email to Rev. Tatum at ltatum@tbcraleigh.com.

Rev. Tatum will be collecting and correlating all of these responses and sharing many on our blog tbcraleigh.wordpress.com or “Through a Glass Dimly”. You can find a link to the blog on the website.

This is a great way to stay in touch this summer as we are away from each other and traveling. Let’s keep the dialogue going about the presence of Christ in our lives. I am looking forward to hearing and seeing your stories and experiences.

I want to update you in regards to our Capital Building plans. We are finalizing our contract with Clancy and Theys and we are also seeking to have all the appropriate permits released

by the City of Raleigh. Our leadership tells us that we should anticipate a late July or early August groundbreaking and beginning of construction. We hope to have a firm date in the next few weeks we can share with you. Our transition team is hard at work making plans for our moving from the Sanctuary to the ROC for worship and all that is involved in that move. This move will take a sacrifice on all our parts. As we get closer to the date, I will be sharing with you how you can make a difference during our transition. Until then, continue to pray for our team and our project.

Sorry no childcare available.

On behalf of the Deacons, I want to express thanks to each member of Trinity for their prayerful consideration of this important step in our church's history. The ability to have candid discussions and differing opinions, yet emerge as one body with the continual focus of spreading the Good News of Jesus Christ is a true blessing.

While I am eager about the opportunities that this expansion will provide us in terms of Christian service, I am especially excited about seeing our church family grow closer during this period of transition. While this time of building will test our patience, will stretch our resilience, and will challenge our flexibility, I am also confident that this transition can help us grow more as a church family. The upcoming challenges will allow us to even better demonstrate the love of Christ to each other and to those visiting our church... exactly what Trinity is known for.

- In His Service, Sam Spilman, Deacon Chair

Ukraine Mission with Roma Gypsies

Saw God's Hand
In So Many Ways!

Come to the Fellowship Hall
Sunday Evening, August 7
to hear the Ukraine and
Kentucky Mission Reports!

The Medical / Dental Mission Team developed many new relationships as well as enjoying some friends from Hungarian Baptist Aid they met during the 2015 mission. We also delighted in one aspect of this Roma mission that was very different. Kathy Heafner, a nurse from Lincolnton who was with us and had participated in 14 Roma medical missions told us that Ga't was the very first Roma camp she had been to where the Hungarian, Ukrainian and Roma people socialized together – even let their children play together!! In all other 13 camps, the Roma were despised and outcasts – never spoken to. This camp was truly unique, and the Roma, even though their living conditions were deplorable compared to the Ukrainians and Hungarians, were accepted as neighbors. What a joy it was to

see the children playing together!! What a vision of God's Kingdom where "peace on earth" was a cultural anomaly, but happening!

Thought you might be interested in the numbers from the Medical / Dental Mission as well.

B.E.A.T.S. was a great success this past week at Trinity! The children's presentation at the church-wide BBQ was a great opportunity to see some other gifts of our children in their musical development. Of course, we had a lot of help getting this program ready for launch. Special thanks to **Misty Deyo** and **Sally Melvin** for carrying on our preschool music program, and to **Sylvia Pearce**, **Alma Hoffmann**, **Amy Byers**, and **all of our leaders** for bringing the B.E.A.T.S. program together. We are grateful to you, parents, for bringing your children each week to learn and have fun. We couldn't have done it without all of our musicians!

Special thanks to our Student Choirs for leading us in worship this past Sunday morning for Graduate Sunday. Also, special thanks for **Tiffany Bartholomew** for her solo in the 10:55 am service. It was a great day celebrating our students' accomplishments and their future plans for college! Good luck to all of our seniors!

High School Sunday Parking

As we prepare for our exciting new building project, we are hoping to ease our parking woes in a couple of ways. What we are asking for our high school students who happen to drive separately from their parents is this: 1) Ride with your parents in ONE CAR or 2) Park on the back property behind the ROC on Manchester. This is just one simple way that we can be a part of helping our church as we seek to make room for others!

Education & Families

Rev. Karen Metcalf Eickhoff, kmetcalf@tbcraleigh.com

Comfort

Comfort is one of the great expressions of the Christian life. We are never closer to the disposition of God than when we seek to soothe the sadness of others. It is a painful world in which we live. Yet, we are never nearer to the compassion of God than when we have been crushed by cruel circumstances. God has equipped us to give as well as to receive comfort. In many ways, the comfort we express toward others, is enhanced by the comfort, which we ourselves have received from God. God knows we are vulnerable to pain and understands the kind of grief, which often overwhelms us.

In our times of distress, God's most helpful resource in reaching us is people who have faced similar sorrow and survived. God uses others to teach us that "the valley of the shadow of death and difficulty" is passable. Through our own grief, God prepares us to respond with compassion toward others who weep. There is a stewardship of comfort, which blesses us as we give, even as we

receive. The trail of tears is a journey we must all travel at times. No one is immune to life's complicated procedures.

As we join the fellowship of suffering, our most healthy response is to learn how to lean on one another. By this means, the goodness of God is translated into goodness toward others. We are called to participate in the sharing of life's hardships where love is the basis of our survival. Therefore, we sorrow not as those who have no help or hope. God has surrounded us with folk gifted in the art of giving comfort even as they receive the comfort we give. Our hearts are healed by giving --as well as receiving God's comfort.

– CSM

As I reflect on the many losses within our fellowship this year, I found these words to bring challenge as well as comfort for all of us. May you find peace in these words.

Looking for more surfin' action!

VBS Mission Project Disaster Relief Comfort Kits

Response is often needed quickly in the aftermath of a disaster like a hurricane. In keeping with our “Surf—Beach” theme, we are choosing a project that might help victims of a hurricane. Various Baptist Conventions and other Baptist Men’s organizations could take comfort kits to children that are victims of a disaster. This year we are collecting items for a Child’s comfort kit or a Baby comfort kit. We are providing gallon size zip-loc bags to use for the kits. We ask that you choose four items from the list below, mark the age on the provided form and mark the possible gender then return the sealed kit to VBS or SS.

Age breakdowns are as follows:

Baby: 0-3 months, 3-6 months, 6-9 months, 9-12 months, 12-18 months, 18-24 months

Child Package: 2-3 years, 4-5 years, 6-7 years, 8-9 years, 10-12 years

Needs List: Choose 4 Items to include in your gallon bag.

Baby: Diaper, Baby nail clippers, Sippy Cup, Pacifier, Diaper Shirt, Handi-wipes, small soft washable toy or soft book.

Child: New Small Stuffed animal, Wash Cloth, doll, books, puzzles, small games, Colors/ coloring book, Small toy (age appropriate—cars for boys, etc.), comb/brush

For all kits: Bibles and small notes are always welcomed.

We appreciate all who choose to help with this ministry. What a fun way to be pro-active before a disaster happens. Just look for the extra forms around on the grade school and preschool hallway.
