Joining Hands with God

Dr. Jeff Roberts, Senior Pastor

jroberts@tbcraleigh.com • Twitter: @Jeff__Roberts

The month of June is traditionally the time for the larger Baptist family to come together for assembly and conventions. This past week, the Southern Baptist Convention held its annual meeting in St. Louis, MO on June 14 and 15. Many are calling this an historic gathering due to several resolutions, which were passed during the meeting. The messengers to the SBC affirmed several resolutions. These included:

1. A resolution of compassion and prayer for the victims in the Orlando shooting incident. Calling all people "Image bearers of God and our neighbors."
2. A call for the refraining of displaying the Confederate Flag. The resolution calls for Christians to discontinue the display of the Confederate Flag for the sake of unity within the body of Christ. The resolution reads, "We urge fellow Christians to exercise sensitivity, so that nothing brings division or hinders the unity of the Body of Christ to be a bold witness to the transforming power of Jesus."
3. A call for churches to welcome refugees. The resolution reads "We encourage Southern Baptist churches and families to welcome and adopt refugees into their churches and homes as a means to demonstrate to the nations that our God longs for every tribe, tongue, and nation to be welcomed at His throne. We call on the governing

The first major move is to combine all of Adult 1 Department into one unit and relocate them temporarily to the Grade school suite in room E247. The first Sunday will be July 3. We appreciate everyone's understanding and support during this transition.

authorities to implement the strictest security measures possible in the refugee screening and selection process, guarding against anyone intent on doing harm; and we affirm that refugees are people loved by God, made in His image, and that Christian love should be extended to them as special objects of God's mercy in a world that has displaced them from their homelands."

4. A resolution reiterating the Biblical view of marriage as between one man and one woman and calling for dissent in regards to same sex marriage. This resolution also states "We express our love for our neighbors who identify as transgender, seek their good always, welcome them to our churches and, as they repent and believe in Christ, receive them into church membership."

If you would like to read all portions of these resolutions and the others from the convention go to SBC.NET and search resolutions 2016. In addition, it is important to note that resolutions, which occur at the Southern Baptist Convention, are not binding nor have authority over congregations or individual Baptists. They are the statements of those who have gathered in that moment as messengers to the Southern Baptist Convention.

This coming week our mission partner, The Cooperative Baptist Fellowship, will be meeting in Greensboro on June 22-24. This will be the 25th year celebration for the CBF. The CBF, unlike the SBC, is not a denomination but a fellowship of churches and individuals who partner together in ministry. The emphasis for the gathering this year is to celebrate what God has done in the past 25 years and to look forward to the future. One highlight will be the commissioning of the largest number of church starters in the organization's history. In addition, a renewed commitment to funding of long-term resident missionaries will be an emphasis. The CBF's seeks to focus on missions, theological education and starting and renewing congregations. You are welcome to attend the assembly in Greensboro. If you want more information about this year's assembly go to CBF.NET.

Patriotic Cook Out

4 x 4 Fellowship Groups

Many of you that have participated in our 4x4 Fellowship Groups in the past, have requested that we start this program again this year. Your voices have been heard. What is 4x4 Fellowship? This is where four families, regardless of the size of family (even families of one), come together four times a year for fellowship. Each family will be responsible for hosting/organizing one fellowship event. It could be for dinner, lunch or breakfast, a cook-out by the lake or park, attend a Durham Bulls ballgame together, host a movie night in the back yard, etc. There are so many fun things to do here in Raleigh that no one should have a problem finding ways to join together in fun, food and fellowship as you get to know other members of the church. Sign-up today by completing one of the registration cards located throughout the church and place it in the appropriate basket or drop it by the church office. Groups will be organized in August and you will be contacted by your group leader soon afterwards.

DISASTER RELIEF: MONTHLY MISSIONS

Rebuild Flooded Homes in Johnsonville, SC

This past week, the Disaster Relief Lead Team at TBC met to discuss plans for the months ahead. The team has done a lot of good work locally, building wheel chair ramps for church and community members as well as doing major repairs to two homes – one in North Hills area and one in southern Wake County.

Following the terrible flooding in SC several months ago, we prepared for action and awaited the orders from NC Baptist Disaster Relief to go. We were not needed at that time. But now SC Baptists are requesting our help – to rebuild the homes that were flooded where other teams have already removed the damaged flooring, sheet rock and insulation.

It's time to answer the call of Christ to bring our blessings of know how, tools and time to help our brothers and sisters to re-build their homes and their lives...shining the light of God's love through this unique mission that TBC has prepared for years to do well.

Louis Pearce heads up the D.R. Lead Team at Trinity. The team discussed how best to respond to this call out. With all of our missions planned for adults and students this summer, the decision was made not to rush. They are preparing to go to Johnsonville, SC one week per month through the fall, beginning in September. Please look at the dates below and plan to respond to at least one of these mission opportunities. Some will have to take vacation days. Some will be given time away simply because the company cares and wants its employees to be involved in doing good. Some are retired and can plan to go on one or more of these missions. However you can begin to plan, please check these dates out on your calendar.

Music Ministry

Music Notes

I am grateful for our 3 service accompanists, Barbara Bowen, Ramona Green and Wayne Rogers. I know you join me in thanking God for these great servants at our church. They are incredibly gifted and have amazing talents, but their hearts for worship and support of one another is a true gift to our choirs and church. Thank you all for covering all the bases when someone is away and for keeping the music of worship always uplifting and excellent.

FirstLight Choir will rehearse this Sunday at 8:30 am, not at 8:00 am. We will resume the 8:00 rehearsals on July 3.

It's hard to believe that we are already close to the end of June. In just a couple of months we will begin our **fall schedule of choir rehearsals**. Some rooms will change due to the construction, but all changes will be available in the church newsletters in plenty of time. We will have to experiment with some of our musical groups when we worship in the gym. We will be making some challenging steps to get the gym ready for worship and we ask for your patience. Begin to pray for our transition to the gym and for what God has in store for us there.

If you are home for the summer you are welcome to come and sing in one of our two worship-leading choirs. From time to time, we have had students continue to use their gifts while they are home from college, and we would love to have you come and join either of the 8:45 or 10:55 service choirs. The times have changed a little:

The Sanctuary Choir will move to 7:30 pm on Wednesday nights for the summer beginning on June 8. FirstLight Choir will move their rehearsal time to 8:00 am each Sunday morning on Sunday, June 12. As the construction project begins, our schedule and locations may change a little, but our worship leadership continues. Come join us!

If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

Genesis Weekend

**August 12-13 • Cost: \$70
Registration Deadline: July 31**

It's that time of year again! We are excited to be looking forward to a new year of student ministry and life together. As we begin a new year as a church under construction, we, as a student ministry, will take time to examine our own lives and discover that we all are under construction as God's love transforms us from the inside out. Brochures are on their way to your mailboxes!

HS Sunday Parking

As we prepare for our exciting new building project, we are hoping to ease our parking woes in a couple of ways. What we are asking for our high school students who happen to drive separately from their parents is this:

- Ride with your parents in ONE CAR
- Park on the back property behind the ROC on Manchester.

This is just one simple way that we can be a part of helping our church as we seek to make room for others!

Education & Families

Awesome VBS and Outreach experience for our church this past weekend!

I can only express in limited fashion how amazing and awesome our VBS was this past week. Many thanks to Katie for planning, promoting, organizing and leading so faithfully. The atmosphere was filled with excited preschoolers, children & youth ready for a weekend of fun Bible learning. The spirit of the leadership was the sweetest and the most helpful we have experienced in a while. To witness over 20 high schoolers helping in and around our campus was uplifting and encouraging for the future.

I was nervous when the Children's ministry committee voted to do a weekend VBS concluding with a longer day on Saturday. However, the attendance increased greatly and we had a good percentage of visitors. Several registered online that had never been to our church. This was inspiring. The effort toward outreach paid off!

Vacation Bible School is one of the greatest in-reach and out-reach ministries any church

can offer. The number of volunteer church members that work together combines with the outreach made available to all generations of people. This year was one of the best ever. Thank you Trinity for encouraging and supporting this major church-wide focus in a positive way. We are so blessed to have many who shared and sought to "Catch the wave of God's amazing love!" COWABUNGA!

Urgent Prayer Opportunity

We have a huge need within our grade school Sunday School. We have several teachers that need to take some time off and rejuvenate or return to share in Bible Study with other adults. This has left a huge need within some classes. I pray you would seriously consider how God could use you this year in leadership.

We can offer several opportunities for you if you accept the challenge to guide our young ones in their faith: **1.** You will find an encouraging group of fellow teachers to work with. **2.** You will be trained and supported with your studies. **3.** You will get to know some of the most talented and creative children in our community. **4.** You will be able to share God's love with some children that greatly need this love. **5.** You will be helping parents as you partner with them in the faith development of their children. **6.** You will meet children with special needs that reflect God's Holy Spirit in their smile.

Please consider letting God use you this year. Contact me at kmetcalf@tbcraleigh.com or 919-787-3740 if you have an interest or if God is tugging at your heart.

Thank You Surf Shack Volunteers!

WOW is all I can say! Many thanks to all those that volunteered by preparing, teaching, working with crafts, and recreation, teaching, building and decorating our set, and cleanup! This was my first VBS here at Trinity and we had such a good time. This week was fun, exciting, encouraging, as children, youth, and adults “caught the wave of God’s amazing love.” This is such a wonderful churchwide event that we all do together. I also wanted to say a big thank you to our kitchen crew, teachers, custodians, church staff, and our wonderful office assistants, childcare workers, carpenters, and the many other volunteers that we had. The list goes on and on! Just please know everyone’s hard work was greatly appreciated. You made my first VBS here at Trinity one for the books! I’ve shared a poem that my mom would always read to volunteers during VBS! I think it sums our time together pretty well. I can not wait for VBS 2017.

VBS Mission Report

**Thanks to all who gave to our
VBS mission project!**

During VBS we were able to collect 42 disaster relief bags. It is not too late to give. We will be collecting them until the end of June. Look for information throughout the church and return your bags to the church office. Thank you for giving to this wonderful ministry.

You Know Why You Do What You Do

You were up before dawn
and started your day.
You sped off to work
as is always the way.

But this week is different,
there’s no time for errands run.
The chores at home will have to wait
or just go undone.

The laundry piles up
and so does the dust.
Things that are usually important,
this week just aren’t a must.

The kids love all the crafts
with the glitter, paint, and glue.
They love to sing the songs
and do the hand motions, too.

Of course, there’s the Bible time
with lessons from God’s Word.
These stories teach a lesson
that’s important to be heard.

All this makes up Bible School;
it’s such a busy week.
The adults are worn out by Friday.
(Is anyone too tired to speak?)

But it’s okay that you are tired
you know why you do what you do.
It’s because of the love of Jesus!
Yes, He’s the reason, it’s true.

He wants you to love and teach them.
He’s wants you to plant the seeds
the seeds that become a harvest
when these young lives proceed.

He asks you to wrap your arms
around some very special kids.
You see, when the warmth of your arms is felt
He’s using your arms as His.
