These members should, but are not required to, include a representative on behalf of each of the children's ministry, student ministry, and senior adult ministry who is a participant in the respective ministry of the church, with the remainder of the Recreation Ministry Committee to be at-large members. The director of the church's recreation ministry shall be an ex-officio member of the Committee. The Recreation Ministry Committee shall:

- (a) Develop and protect the purpose, philosophy, and policies of the church's recreation ministry. These attributes shall be approved by the Church Council and by the church in conference.

- (c) Receive and consolidate calendar dates and coordinate with the other church programs through the Church Council.
- (d) Enlist leaders for each program of the recreation ministry.
- (e) Receive and consolidate budget recommendations and annually present a proposed budget to the Finance Committee.

- (g) Plan and conduct recreation events as evangelism to the unsaved, as an outreach to prospects, and as a ministry to inactive church members.
- (h) Ensure that every aspect of church recreation honors God, harmonizes with the church's purpose, and channels people into church programs and church membership.
- (i) Ensure that the Committee and the recreation programs and events serve as a Christian ministry.
- (j) Provide a balanced calendar to ensure that the recreation ministry is well rounded and functional and that the calendar is not dominated by one person, by one age group, or by one program area.
- (k) Provide an atmosphere within the facility and within personnel that is conducive to a Christian ministry.
- (l) Maintain facilities, maximize their use, and project needed improvements.
- (m) Report annually to the deacons and at a church conference of the recreation ministry's activities for the past year.
