

Welcome to Trinity Baptist!

I am delighted to welcome you to our ministry of Weekday Preschool at Trinity Baptist. We are so happy that you have placed your child in our weekday program. Trinity Weekday Preschool offers a community of learning for your young child and a community of support for you as a parent.

Our church is open and available to assist you or to guide you in the spiritual development of your family. Our pastor, Dr. Jeff Roberts, states, *“I believe that your child’s participation at the Weekday Preschool is one of the ways that you can guide your child toward God.”* We believe it is committed parents and teachers under the guidance of the Holy Spirit that lay foundations for faith in preschooler’s lives.

We are proud of our program and our leadership. Our Preschool Staff seek to provide a warm, loving, safe and friendly atmosphere while teaching developmentally appropriate lessons. Bible stories are told and Christian nurturing will be experienced. I enjoy providing a “chapel” experience once a week that shares Bible stories with the preschoolers age 2 and up. We sing and learn Bible thoughts about God, about Jesus, and the beautiful world.

Thank you for allowing us to guide your child mentally, emotionally, and spiritually. If you have any questions or want to know more about the ministries of Trinity, please contact me or visit us on Sundays. You can also go to our website at www.tbcraleigh.com.

Blessings,

Rev. Karen M. Eickhoff, Associate Pastor of Education

A Note from our Director...

Welcome! We are so grateful that you and your family have chosen to be a part of our preschool program. Whether you have been with us before or are joining us for the first time, we welcome the opportunity to get to know your child and family!

Our traditional hours of preschool are from 9:00 – 12:55 Monday – Friday. In addition, we offer an AM Adventurers program from 8:00 – 9:00 and an Afternoon Adventurers program from 12:55 – 2:55 pm.

Our program is licensed by the state of North Carolina. In conjunction with the state requirements and guidelines, I believe we offer a high level of care, safety, as well as, quality education to our preschool children.

Our professional and dedicated teaching staff is committed to offering all children equal opportunities to grow and develop at their own age and stage. Through hands-on experiences and playing with a purpose, we see children's eagerness to learn and thrive. All of our lesson plans are developed from the Wee Learn Curriculum in conjunction with Wake County Schools' guidelines for Kindergarten readiness. Children will be inspired to learn by experiencing different centers throughout their day, such as art, math, science, dramatic play, outdoor play and sand and water activities. We believe that when children are provided with a variety of diverse experiences, they learn a sense of independence and begin to develop personal interests that help to shape their uniqueness!

Please feel free to contact the Preschool Office with any questions or concerns. It is our privilege to be a part of your child's educational foundation and we thank you in advance for your commitment to helping make our preschool a wonderful place to be! We look forward to our time together.

MISSION STATEMENT

The Weekday Preschool is an ongoing ministry of Trinity Baptist Church (TBC). Together, in accordance with the TBC teachings and as a community of believers, the staff of the Weekday Preschool will do all it can to nurture, guide and reflect Godly Biblical foundations of faith to all children, families, and each other.

PHILOSOPHY

At Trinity Baptist Preschool (TBP), we believe preschool should be a place where children are encouraged to grow and to learn within a safe and nurturing Christian environment, under the guidance of an educated and experienced staff, and with the benefit of developmentally appropriate curricula and classrooms. Our major goals, therefore, are fourfold:

1. To provide children with an environment where they are physically safe and emotionally nurtured;
2. To provide children with Christian teachers who have a good understanding of the abilities and needs of young children and who are committed to the ongoing process of learning more about young children and the field of early childhood education;
3. To provide children with developmentally appropriate learning environments and experiences that promote development in all areas (cognitive, language, personal, physical, social, and spiritual);
4. To be a positive and personal factor in the lives of our children and families.

We are committed to empowering children during their early years to build a Christian foundation for a lifetime of learning.

PROCEDURES FOR REPORTING SUSPECTED CHILD ABUSE AND NEGLECT

As it states in the Summary of the North Carolina Child Care Laws and Rules “Every citizen has a responsibility to report suspected child abuse, neglect or maltreatment. This occurs when a parent or caregiver injures or allows another to injure a child physically or emotionally. It may also occur when a parent or caregiver puts a child at risk of serious injury or allows another to put a child at risk of serious injury. It also occurs when a child does not receive proper care, supervision, discipline, or when a child is abandoned. North Carolina law requires any person who suspects child maltreatment at a child care facility to report the situation to the Intake Unit at Division of Child Development and Early Education at 919-527-6335 or 1-800-8590829. Reports can be made anonymously. A person cannot be held liable for a report made in good faith. The operator of the program must notify parents of children currently enrolled in writing of the substantiation of any maltreatment complaint or the issuance of any administrative action against the child care facility. North Carolina law requires any person who suspects child abuse or neglect in a family to report the case to the county department of social services.”

TEACHING THROUGH ACTIVITIES

Preschoolers are active learners. Our staff, in conjunction with the Wee Learn Curriculum, seeks to provide a variety of large and small group activities that encourages growth in all developmental areas. Some of the activities that preschoolers will have opportunities to choose include:

- **Blocks** – These are transformed into whatever the child imagines. As preschoolers build with blocks, they have many opportunities to think, plan, work together, solve problems, take turns, be patient, and be helpful.
- **Books** – A preschooler enjoys books that relate to things experienced. Through listening to books being read, a child becomes more aware of self and others. Sharing a book with a friend can provide feelings of security and belonging. The book area can also provide quiet times of reflection.
- **Nature Materials** – Preschoolers learn as they have firsthand, sensory experiences. These experiences help the child become more aware of the world and to appreciate and learn to care for their world.
- **Music** – Enjoyment is most often thought of as the benefit of music. Music has a natural appeal that draws a child to participate. Through this participation, the child learns vocabulary, concepts, motor skills, and social behavior.
- **Puzzles** – Puzzles are materials which present difficulties to be solved through mental ingenuity, patience and physical coordination. Besides being fun, puzzles offer opportunities for preschoolers to recognize, associate, match, classify, follow directions, and accept responsibility.
- **Art** – A child uses creative materials as a means of expression, not to make pictures. Preschoolers enjoy many satisfying experiences as they successfully manipulate a variety of art materials. Art is therapeutic, develops muscle control, sparks creative thinking, and teaches new concepts.
- **Homeliving/Imaginative Play** – Homeliving activities help a preschooler develop many aspects of life. These materials are perhaps the most inviting because they relate to what a child does at home. The young child gains awareness of how it feels to be in the role of a community worker or another family member. Developing acceptable social skills and learning to get along with others are a few of the benefits of homeliving.
- **Group Time** – This experience contributes to the children's social development, providing opportunities for them to do things together. The children are encouraged to follow directions and take turns, thus becoming more aware of the rights and interests of others.

REGISTRATION AND TUITION FEES:

- The registration fee is equal to one month's tuition. **This is a non-refundable fee and does not count as a tuition payment.**

COMMUNICATION

Our Preschool uses the ProCare App Software to communicate with our families. This App is used to communicate whole school messages, direct message with your child's teacher, share photos/daily activities, as well as make tuition payments. Only parents can access information via ProCare. We strongly encourage both parents to download this app to receive all communications, such as if your child is sick/not feeling well or if there is an emergency.

SAFE ARRIVAL AND DEPARTURE PROCEDURES

Upon arrival, all children must be accompanied to the back door of the classroom by an adult.

Authorization is required in writing or via ProCare when anyone other than the designated adult arrives to pick up the child.

Child must never be left unattended.

Doors will open promptly on the hour of your child's scheduled arrival.

At Drop Off

It is important that your child arrive on time each day. This will help your child to adjust more quickly to the routine and develop a habit that will carry into formal school years.

At Pick Up

It is imperative that parents arrive promptly at the appropriate pick-up time (12:55 or 2:55). Late arrival of a parent can cause insecurities and anxieties in young children. Please call if you are having difficulty in arriving by the appropriate pick-up time. A late fee of \$10 per child, per 10 minutes, will be charged. This promptness at pickup time is extremely important. Our late fee policy will be strictly enforced. HABITUAL LATE PICK-UP WILL RESULT IN YOUR CHILD BEING DISMISSED FROM OUR PROGRAM AND/OR EXTENDED AFTERNOON ADVENTURE HOURS.

SNACKS, LUNCHES AND BIRTHDAY

SNACKS: Families will provide daily snacks for their child. Please remember we attempt to be a peanut free facility.

LUNCHES: Children eat lunch at Preschool each day. Parents provide lunches. Due to the severity of some children’s allergies, we attempt to be a peanut/nut free environment. For example, please do not send peanut butter sandwiches, granola bars with nuts or peanut butter cookies. We will request that children finish their “main course” before they begin their dessert. Please send portions that are reasonable for your child and that encourage independence. Lunches will be refrigerated daily. **REMEMBER TO LABEL YOUR CHILD’S LUNCH.**

BIRTHDAYS: Birthdays are a very special day in the life of your child. We encourage parents to send a special treat to be enjoyed during snack time. All items must be store bought. You may choose to send cupcakes, cut cake squares, simple snack items, and decorative cups and napkins. Ice cream must be in individual cups with spoons. Children with summer birthdays may want to schedule a “half-birthday.” For example, a child with a July birthday may want to have a celebration in January.

CLEANING DUTIES: Tables and surfaces are wiped down by a staff member using a disinfecting bleach solution on a daily basis. Our custodial staff vacuum and mop the classrooms, as well as, clean the bathrooms on a daily basis. Classroom carpets are shampooed every 6 months, or more frequently, if needed.

PROJECT ENLIGHTENMENT

Project Enlightenment is a comprehensive early childhood, early intervention program within the Wake County Public School System. In existence since 1969, the Project includes a multi-disciplinary staff of early childhood educators, parent educators, and psychologists. The Project provides information, resources, consultation, and training for parents, teachers, and caregivers of young children - birth through kindergarten. The programs and services support the emotional growth and development of young children. Call 856-7774 for further information. Website: www.projectenlightenment.wcpss.net. Address 501 S. Boylan Avenue, Raleigh, NC 27603.

Services offered include:

- Teacher/Parent Consultants that work with teachers and parents around the needs of children in childcare, preschool, and kindergarten.
- The Parents as Teachers program.
- Developmental screenings for children.
- The Parent Teacher Resource Center where staff can consult with parents and teachers on a wide range of topics including discipline, social skills, routines, child development and school readiness.
- Workshops for Teachers and Parents.
- Demonstration Preschool Classrooms.

BEHAVIOR MANAGEMENT POLICY

Praise and positive reinforcement are effective methods of positive guidance. When young children experience positive interactions with adults, they develop healthy self-concepts; learn problem-solving skills and self-discipline.

Based on this belief we will practice the following:

Praise, encourage, set limits, model appropriate behavior, modify the classroom environment to prevent problems, listen, provide alternatives, respect needs, feelings and desires, ignore minor misbehaviors, explain on the child's level, and be consistent.

We will not:

Use any form of physical punishment, make fun of, threaten or otherwise abuse verbally, deny food or rest, leave alone or unattended, allow discipline of children by children.

Re-Directing: When a child has not responded to other positive guidance techniques, we may use re-directing as a way of taking the emphasis off the current situation and occupying their minds on a different subject matter or placing the child in a quiet area that is out of the main activity of the classroom but is in the teacher's sight. After a brief interval of no more than five minutes, the child will return to his or her regular activities. This time allows the child to exercise self-control. With the help of a teacher, older preschoolers can begin to examine situations and learn to make better choices.

ABOUT OUR STAFF

Trinity Baptist Preschool employs a Director to oversee everyday operations. A Preschool Committee made up of members of Trinity Baptist Church and the supervising Minister serves in an advisory and policy-making capacity.

The teaching staff at Trinity is dedicated to the education of the young child. All of our teachers are validated with a criminal background check. They are CPR certified, SIDS (Sudden Infant Death Syndrome) certified and Pediatric First Aid certified.

PRESCHOOL DIRECTORY

The Preschool will provide you with a student-parent-teacher directory. Please use this directory to help form carpools, plan play groups, or address invitations.

TRINITY BAPTIST CHURCH SUNDAY WORSHIP HOURS:

8:45 AM and 10:55 AM – Morning Worship Services

9:45 AM – Sunday School

6:00 PM – Small groups and Discipleship Classes

YOU CAN HELP BY ...

- **Keeping current phone numbers and addresses on file.**
- **PUTTING YOUR CHILD’S NAME ON ALL PERSONAL ITEMS.**
- Dressing your child in clothes that are appropriate for the weather, that can become soiled (play clothes), and that encourage your child’s independence. Select shoes that can be firmly fastened or tied. **Tennis shoes with rubber soles are highly recommended. Please note, we strongly discourage the wearing of CROCS to preschool because they easily slip off throughout the day.**
- Sending an extra set of clothes in a ziplock bag that may be kept in the child’s classroom.
- Sending enough diapers to allow for “extra” accidents.
- Notifying the Preschool if your child will be leaving with anyone other than his/her parents. Identification will be required.
- Not sending any toys, especially **weapon-type** toys. Children’s favorite toys can become lost or broken.
- Contacting the Teacher or Director with your praises, suggestions, or questions.

SEASONS AND HOLIDAYS

Seasons and holidays are an important part of the curriculum at Trinity Baptist Preschool. During these special times of the year, we choose to emphasize God’s natural world and the beauty of each season. Holidays are celebrated with fun activities and art projects as a part of your child’s day. Our emphasis will be:

- FALL: We will celebrate using pumpkins and jack-o-lanterns, leaves, cats, scarecrows, pilgrims and turkeys. We will avoid ghosts, witches, skeletons, devils and monsters.
- WINTER: We will focus on the birth of Baby Jesus, the nativity, giving, snowflakes, snowmen, and valentines. We will avoid Santa Claus.
- SPRING: We will emphasize new life, baby animals, eggs, rabbits, the wind, shamrocks, flowers, rain and rainbows. We will avoid the Easter Bunny.

Parents can help us by being aware of these topics and keeping them in mind when planning special activities for the children.

BEHAVIOR MANAGEMENT POLICY (continued)

If the teachers have exhausted all options to guide a child toward acceptable behavior, the teachers will follow a plan of action in order to resolve the situation while doing what is best for the child and the entire class, which may include meeting with parents to discuss alternative strategies and/or interventions.

Kicking and hitting of other children or staff, or other aggressive behaviors will not be tolerated. We will not allow a single child to jeopardize the safety and well-being of other students and staff.

These behavior policies apply to all students. If TBP is aware of a child’s identified special needs, we will work with therapists, Project Enlightenment, WCPSS, parents and others, with reasonable efforts, to make changes and modifications to assist a child. If these modifications do not positively assist the child in the classroom setting, the preschool reserves the right to discuss other options for the safety and success of the student, class and teachers, such as a one-to-one behavior specialist or other outside resources to better accommodate the child.

TBP is not a preschool designated to care for children with significant special needs, nor are our teachers trained as special needs teachers. There may be some identified special needs that are outside the scope of our abilities to provide the best educational learning environment for every child.

Dismissals: The Preschool reserves the right to dismiss a child for reasons resulting from a child’s inability to adjust to group experiences. In the event of a child’s behavior that could compromise their safety, a teacher’s safety or children’s safety or well-being, that child could be asked to remain absent from the program until an effective action plan can be put into place.

Families with repeated violations of policies and procedures outlined within the handbook may have their child(ren) dismissed from TBC Weekday Preschool at the discretion of the Preschool Director.

• SICK POLICY

A child will be excluded from preschool if:

- The child has a temperature of 100.4 degrees Fahrenheit or higher.
- Has two or more episodes of vomiting within a 12-hour period.
- Has more than two stools above the child's normal pattern and diarrhea is not contained by a diaper or when toilet-trained children are having accidents.

A child must be free from contagious illness (such as fever, diarrhea & vomiting) for a **minimum of 24 hours** (without the use of medication) and/or release by a doctor before returning to Preschool. This also applies to children that have common childhood ailments such as pink eye, hand, foot and mouth disease, lice (nit free) and a runny nose that is not clear, etc.

Playground/Outdoor Time

As noted by many early Child Development professionals, it is important to take children outdoors to play each and every day. Discretion will always be used when making a decision to go out if the weather is very cold (below 32 degrees) or very hot (above 91 degrees).

Families are welcome to play on the playground after hours. We ask that you adhere to the same rules that are expected during the preschool day. **Play on the playground, after hours, is at your own risk.** If these guidelines are not followed, TBP has the right to close the playground if deemed necessary.

INCLEMENT WEATHER POLICY

- We will defer to Wake County School Superintendent's expertise when deciding if roads are safe for travel. **The Preschool will be closed when Wake County Schools are closed.** We advise that you download a local Weather App or tune in to widely used radio/television stations for this pertinent information.
- **When Wake County Schools open on a delay, the Preschool will open at 10:00 AM.** If Wake County dismisses 3 hours early, school will close at **11:00 AM** and children should be picked up as soon as possible. This policy is in effect for AM and Afternoon Adventurers as well.
- If threatening weather begins after Preschool opens, please return as soon as possible for your child.
- Our make-up schedule is independent from Wake County Public Schools. The Director can excuse at least or up to three days missed due to inclement weather. If necessary, make-up days will be scheduled by the Director.
