

# Trinity Baptist Preschool Parent/Family Involvement Policy

Preschool seeks to partner with your family to ensure your child's success in school and in life. We strive hard to make the transitions between home and school as smooth as possible.

We also encourage family involvement by:

- Open communication between teachers, administration, and parents.
- Utilizing our church library or resources suggested on child development, health and nutrition, parenting, and general work/life/family topics.
- Promoting family activities and special events such as the TBC Fall Fest and Graduation.
- Newsletters, Preschool calendar, lesson plans, documentation of your child's learning, Procare messages and parent/teacher conferences.

Signature acknowledges receipt of Trinity Baptist Preschool Parent involvement Policy.
