Several years ago, I delivered a sermon entitled “Submission is Not a Four Letter Word.” The sermon explored the topic of Christian submission. Throughout the New Testament we find passages where we are instructed to submit to each other, authority and to God. The term submission is a misunderstood term. When we hear the term submission most of us think of someone who is mistreated or seen as “less” in regards to another, yet this is not the meaning of the term Biblically. Submission in the Bible is never something we are forced to do. When someone says you must submit to me, they have quickly forgotten the true meaning of this word. Submission is a voluntary act by the follower of Jesus.

When Jesus was preparing for the cross, he and his disciples gathered in the upper room. It was in this moment that he shared with them what we refer to as the “Last Supper.” Jesus spoke to his disciples about his death and instituted this moment as a way of recalling Jesus’ sacrifice for us. John’s gospel has another important story from those moments in the upper room. According to John 13:2-17, Jesus assumed the role of the servant and washed the feet of the disciples. Before Jesus washed the feet of the others, the Bible says, “Jesus knew the Father had put all things under his power and that he had come from God and was returning to God; so he got up from the meal, took off his outer clothing, and wrapped a towel around his waist. He began to wash his disciples’ feet drying them with a towel wrapped around his waist.”

Jesus submitted himself to the place of the servant not because he was weak but because he was strong. Jesus understood completely his relationship with the Father, and because Jesus found his life in his relationship with the Father, he was able to become the servant to all. Submission is not something we are forced to do out of weakness, but it is something we lovingly do out of strength and faith in God. It is because we know that we belong to God and that it is in Christ we find our identity, we are able to submit and become servants to others.

This coming Sunday we are going to be exploring the prayer of submission. We will be using the story of Jesus’ prayer in Gethsemane when he prays, “not my will but thine be done.” Join us as we continue our series, “Living on a Prayer.” I look forward to seeing you as we gather for worship.

FAMILY PROMISE PARTNERS NEEDED

Hosting Week: August 19 - 26

Family Promise (formerly Wake Interfaith Hospitality Network or WIHN) provides professional case management as well as food, shelter, and transportation for qualified homeless families as they work to restore their independence. Family Promise is one of the few agencies in the area committed to helping homeless families stay together. This is accomplished through the support of various churches in Wake County. Trinity became part of this network in July 2005. We are assigned 3 host weeks a year when Family Promise "guests" make Trinity their home. Volunteers are needed to help in a variety of areas. There are opportunities for individuals and Sunday School Classes.

Use Signup Genius
(bit.ly/FPSignupAug2018) or check
at the Registration Center in the
Narthex to volunteer. Family Promise
brochures describing each volunteer
position are also available. You can
find more information about the Family
Promise organization at their website:
www.familypromisewake.org. If you
have questions about volunteering
or the program, contact Beth Duke
(919.880.7454) or Beverly Munday
(919.637.0864).
