

TRINITY BAPTIST CHURCH

# TRINITY TIMES

Belong. Become. Be.

Our Church Council and staff have been discussing our newsletter for over a year. The discussion has revolved around effectiveness, cost, layout, digital media options, and trends in how people get their information. During the summer we took a few weeks off and did a redesign of the newsletter to enable us to be more effective in sharing not only information but also opportunities for volunteers and service. In our most recent Church Conference, I shared as chair of the Church Council, that we would like to propose going to once every two weeks format for the newsletter. This would not only save money in materials and labor power but also be a way to move toward digital media for information. This proposal was discussed and although it did not need an official vote as determined by our moderator, there was a time of questions and a motion for us to move forward with the proposal.

The Church Council also recommended the production of "This Week at Trinity" which would be a weekly flyer with the week's calendar and announcements. This flyer will be found weekly in the Narthex as well as in information centers around the campus. "This Week at Trinity" will also be available online each week for up-to-date announcements.

This newsletter will be our first of our "once every two weeks" cycle. I hope you will take time to read it and also pick up a "This Week at Trinity" when you attend church on Sunday or go to our website, [tbcraleigh.com](http://tbcraleigh.com), and look at that information each week. Also, remember if you would like to receive the newsletter only in digital form, contact the church office and we will make sure you get the link in an email each week.

Stay connected and find your place in the life of our church. We want all to feel a sense of belonging as they seek to become and be lifelong followers of Jesus.

RALEIGH  
MINISTRIES

## NORTH RALEIGH MINISTRIES

Have you ever found yourself wondering as you sat at a stoplight next to someone holding a sign just how far you would go to make sure your family was fed?

Have you ever wondered what the breakdown of relationships of family and friends must be like when you have no where else to turn to eat each day?

Every day countless families have to ask themselves these questions in real, non-hypothetical time. North Raleigh Ministries' Food Pantry, Crisis Center, and educational programming are all here to help our neighbors find answers to these questions. NRM is now serving more families than ever before, which means that we need more food and more volunteers than ever before.

Would you consider adding \$10 each week to your grocery budget to provide consistent food donations to the pantry? What you buy, you can drop off at any of the brown NRM bins around the church any day of the week, and one of our volunteers will make sure that a hungry family receives the help they need.

Are you ready to start your volunteer journey with NRM?

If so, your first step is attending a Volunteer Introduction and Information Session.

# BAPTISTS ON MISSION

## *Disaster Relief*

### NC Baptists On Mission Dorian Update:

Hurricane Dorian caused several tornadoes and a lot of damage to some parts of the Outer Banks. Continue to pray for people who were affected by Dorian and for our volunteers. Right now, we have set up and are doing recovery out of Atlantic, NC to serve Cedar Island, which had lots of flooding. We are working out of Atlantic Missionary Baptist Church. We also have a logistic, chaplain and admin team.

We have also set up a mass feeding and recovery site at Cape Hatteras (staying at Cape Hatteras Baptist Church) to serve Hatteras and Ocracoke areas. Kitchen 3 unit is cooking today on Hatteras (food is being taken by boat over to Ocracoke). Recovery is also there. We have logistic, chaplain and admin teams there.

We have 4 large shower units, laundry units (3 of them), generators and water takers units all serving on Ocracoke right now. We are working today to set up recovery operations on Ocracoke.

**To sign up to help, go to <https://baptistsonmission.org/Dorian>.**

As you pray, pray for those who were affected by the storm. Pray for God's protection and comforting hand upon their lives. Pray for wisdom, strength and sensitivity on the part of those who are responding. Two volunteers from Trinity Baptist Church are currently working with feeding at Cape Hatteras.

Rebuild efforts from Hurricane Florence continue in New Bern and Lumberton. We had a rebuild team go to Lumberton, 9/18-21/2019. We have two more rebuild projects scheduled – October and November 2019.

You can serve in this effort through prayer, giving to the NC State Missions Offering and/or joining the rebuild projects in October or November.

## Family Mission Project

**BREAKFAST & BLESSING BAGS**

I am so excited about this mission project because it is for Adults AND Kids!

**October 12 | 9 am | Fellowship Hall**

This Family Mission project we will be making Blessing Bags! This is a very real, tangible way to help in a situation where you find someone who is in need and you really feel like you want to do something but are unsure of exactly what to do. Handing out a Blessing Bag to someone gives you a very real way to meet their immediate needs by providing them with some basic supplies such as toiletries, water, food and warmth.

Blessing Bags are great to keep on hand in your car, so if you are in a situation where you find someone in need, you have the bag right there to hand to them.

So come JOIN us as we pack our own! We'll have biscuits, doughnuts, and juice together, then pack our bags. Families will work together to pack blessing bags and then can put them in YOUR car to use when needed. This is an AWESOME opportunity for families to work together. Babies - 5th Grade are invited.

**Want to help us get ready? We could use the following donations:**

Socks | Bottled Water | Wash Cloth | Travel Size Toiletries (shampoo, conditioner, soap, deodorant)  
Toothpaste | Toothbrush | Granola Bars | PB Crackers

**Donations can be placed in the bin by the front office or on the preschool/children's hallways!**

# CHILDREN'S MISSION DAY

**Whenever you did one of these [kind, generous, and good] things to someone overlooked or ignored, that was me—you did it to me.**

—Matthew 24:45 (The Message)

The children will learn through the Acts 8 story of Phillip and the Ethiopian that God's love is for all people. Mission rotations will include food, songs, and culture from other countries.

We will leave TBC at 9:00 am and return by 4:00 pm.

## FALL 2019 MISSION PROJECT

As we kick off the 2019-2020 Missions year, our youngest members of TBC will have an awesome opportunity to participate in a mission project to benefit children in Wake County.

Every day, one of the thousands of emergency workers in our area encounter children in difficult and scary emergency situations. To help provide comfort during these uncertain times, emergency responders give these children a stuffed animal. This Fall, we will be collecting gently used stuffed animals to donate to one of the emergency response agencies across our county to help continue this wonderful ministry.

There will be drop off bins at both ends of the preschool hall and one on the grade school hall as well. The deadline for contributing is Wednesday 11/13. Use this opportunity to allow your child to go through their stuffed animals and gift someone else OR go shopping together and pick out one or two that they would like to give!

**Collecting gently used stuffed animals | Deadline: Wed. November 13**

### DO YOU HAVE A CHILD IN KINDERGARTEN?

**I want to eat lunch with them at school!**

TBC parents with kindergartners be on the lookout for a call from me to see when I can have lunch with your child at school OR feel free to reach out to me and let me know a good day!
