

TRINITY BAPTIST CHURCH

# TRINITY TIMES

Belong. Become. Be.

Dear Trinity Family,

As you are aware, we began returning to campus for worship in the sanctuary beginning on August 16. We are currently holding one worship service at 10:55 a.m. This service is offered in person and online for those who would like to continue to worship virtually at this time. I am so grateful to all those who have helped us arrive at this point of transition during the COVID-19 pandemic. In particular, I want to thank Mark Owens for all of his hard work behind the scenes. Mark has been producing our virtual worship that has been streamed online while we were away from the campus. He has done a tremendous job in editing and creating a time of worship that has been meaningful to so many of us. Mark will continue to aid us as we move into this “hybrid” moment of worship services.

This past week we also began a summer Weekday Preschool session. This was also an important step for our congregation. Offering this ministry to working parents in our community is of great help to families. All has gone well because of the work of our Weekday Director Bentley Williams, Rev. Eickhoff, and our whole weekday preschool staff. Continue to keep this ministry in your prayers.

We asked our deacons in July to help us prioritize our energy in reviewing and planning for programs and ministry in our transition back to campus. The three top priorities were in this order: worship, Sunday School, and Wednesday Night Programs. We are working toward reestablishing in-person meetings based on these priorities.

Our Sunday School Council is working on plans, which will allow Sunday School classes to reserve rooms to meet in person. They have identified four rooms that are the best for meeting at this time. These rooms are the Fellowship Hall, C101, A214, and the Chapel. These rooms were chosen because of easy entrance from outside and access to restrooms. These rooms are being set up for social distancing, technology and capacity. Currently, we are restricting the number to 10 to 15 people, but we anticipate that in a few weeks we will be ready to use each of the four rooms at their social distancing capacity. Our next step, as a Sunday School Council, will be to begin to have classes reserve these rooms to meet in person. We are currently asking that Sunday morning not be one of the meeting times as we are seeking first to facilitate worship only on Sunday mornings. Sunday afternoons and evenings are available.

Our Church Council also has a working team concerning our Wednesday Night Programs. They have begun meeting to discuss how we might utilize Wednesday nights for missions, music, and discipleship. We hope to have a plan to share in the near future.

Of course, there are other things happening at the church from mission efforts, to funerals, weddings, and many virtual and outside gatherings. Everyone is being creative

continued on page 2

and faithful in this difficult time. I am deeply appreciative for our church's patience, faithfulness, and concern for each other.

As we began 2020 we adopted this revised mission statement:

**TBC is a family of baptized believers joining hands with God - belonging, becoming and being - by proclaiming and living the Gospel of Jesus Christ.**

*We welcome you to...*

**Belong** in meaningful connection with the community of faith.

**Become** purposefully engaged with the family of faith: following the way of Jesus through baptism, sharing life together and serving others.

**Be** a lifelong disciple of Jesus, growing in relationship with God, joining God's mission of love for the world.

There is nothing in our mission statement that COVID-19 can keep us from accomplishing. I want you to consider how you are finding meaningful connections with our congregation. In what ways are you following the way of Jesus? How are you growing in your faith during this time?

Trinity is still a congregation where you can belong, become, and be.

God Bless,  
Dr. Jeff Roberts

## TBC Library News

### The Parables of Jesus

The emphasis of the weekly sermons beginning August 2 and for the next several weeks will be the parables of Jesus. (By the way, In September the Formations Sunday School lessons will be Parables in Luke.) The TBC Library contains many books regarding the subject of parables. Some children's books related to parables are The Pine Tree Parable and The Sunflower Parable by Liz Curtis Higgs. Some books suitable for adult Bible study are The Parables of Jesus by William Barkley and Studying the Parables of Jesus by Peter Rhea Jones. A complete list of other books in the TBC Library on the subject of parables may be found on the TBC Library website at the List tab or at

the following URL -- <https://bit.ly/2CfHFfD>

You do not have a TBC Library Card to check out books? No problem – there are blank forms for acquiring a card located on the black Book Return box in the library. Or, you can apply for a card online by visiting the TBC website ([www.tbcraleigh.com](http://www.tbcraleigh.com)) and clicking on the TBC Library Online Catalog link on the left side of the TBC website (or go directly to [tbcrcn.booksyst.net/opac/tbcr/](http://tbcrcn.booksyst.net/opac/tbcr/)). ## Hymn singing...

When we worship together on Sunday mornings, hymn singing is one of my favorite things we do as a church. The beautiful texts and tunes have made an impact on my life since I sang in my home church as a kid. My parents gave me my first hymnal when I was around nine years old, so the old hymns from that Baptist Hymnal (1956 edition) still bring a wellspring of joy to my heart when I sing them. I miss those days of our congregational singing.

I challenged the Sanctuary Choir this past week in a Zoom fellowship to recall their favorite hymns and anthems we sing and to practice vocalizing every day. One day we will meet again in the Sanctuary praising our Savior and I want to be in the best voice I can be in to sing His praises. I miss the energy, the spirit, and the deep sense of unity we experience when we sing in worship. When we do meet again and can sing safely, I want to belt-out my praise and thanksgiving to a God who heals and saves.

There is a website, [hymnary.org](http://hymnary.org), where you can go and look up any hymn so that you can read the text and play it. I encourage you to go and select some of your favorite hymns and sing them to make your voice ready for praise. How good and pleasant it will be to sing in unity of spirit and voice!

Until we meet again,  
Steve

## Psalm 111:1-10

Praise the LORD! I will give thanks to the LORD with my whole heart, in the company of the upright, in the congregation. Great are the works of the LORD, studied by all who delight in them. Full of splendor and majesty is his work, and his righteousness endures forever. He has caused his wondrous works to be remembered; the LORD is gracious and merciful. He provides food for those who fear him; he remembers his covenant forever. ...

## Always Room for You!

Find your place in the music ministry in 2020! We will be back together sometime in the near future!

If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

*And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ—to the glory and praise of God.*

— Philippians 1:9-11

## Discipleship News

### Beneath the Skin (Book Club and Conversation)

The book clubs on racial justice concluded for the summer. As we wrapped up discussions utilizing scripture passages and reviewing what we learned, we began to note how we could move forward. We surmised how to be Christian change agents and ministers within our diverse community. We committed to be advocates for racial equality and respect diversity.

May we learn to exemplify Jesus' commandment in John 13:34-35.

### Grief Share

One more session of GriefShare for the summer will be on August 25. A 13 week session will begin on Sept. 3 utilizing the same video conferencing style as this summer. We are grateful to have Larry Autry, Stephanie Johnson and Boyd Dimmock continuing this ministry.

The information is real, practical, hopeful and easy to watch. We will watch together and then have an opportunity to share and find healing within a confidential group discussion.

To receive the access link for these zoom sessions, please email Boyd Dimmock at [bkdimmock@gmail.com](mailto:bkdimmock@gmail.com) or check our website-[tbcraleigh.com](http://tbcraleigh.com) --as well as the website- [Griefshare.org](http://Griefshare.org).

### Divorce Care

We will be offering sessions for DivorceCare this September through December. Shay and Jeff Greene will be leading this program and we look forward to the impact this continues to have on families within our community. You may contact Shay or Jeff Greene or [divorcecare.org](http://divorcecare.org) for more information on how this works.

### TNT

**Dealing with Hard Times:** A 6 week virtual Bible study of Job beginning on Sep. 15. This study is facilitated by Jeff and Robin Roberts on Tuesdays. You may contact Reenie in the office for more info or to sign up. A sign up genius will be available soon.

## Weekday Preschool is open!

We are following the strictest guidelines and adjusting our staff and schedules to make this safe.

**What this means for you?** ---The preschool hallway is completely **locked down 24/7**. If you need in the area, you must contact a supervising minister or Bentley Williams our Weekday director. It must be after Weekday hours each day—documenting the door you entered, where you traveled in the area, and what you touched. Posters will be provided to help you.

This is necessary for contact tracing which is crucial as we navigate this health crisis in our country.

## Backpack Buddies and You

Every year at this time families are filling out forms for their children to enter their new school year. For many families this means that after a summer of food insecurity their children will be guaranteed to be fed at least breakfast and lunch on school days. It is a sigh of relief and a burden lifted for five of the seven days each week. But, what about the other two days? Do the children just go hungry? Yes. And, this is where Backpack Buddies and You step up to the literal plate. Backpack Buddies is a national program that only works when local organizations take on the challenge to serve their own populations through the schools. The schools know which children need to receive food over the weekends, and the local organizations help make that happen.

Our church supports Backpack Buddies at five local elementary schools and one local middle school through North Raleigh Ministries. This support is in addition to the food pantry at NRM and has different specific needs for food. One major way we support the Backpack Buddies program is through our North Hills 5K. By sponsoring or registering for the race, you are donating much needed funds to make sure that no child in our community goes hungry. Please consider registering for the virtual race or simply making a donation to feed our community's children this school year!

See the Recreation Ministry page for more race information!

## How Can I Help My Neighbor in Need?

### Pray

As Christians, we are called to commune with God. We are invited to lift our hearts to God with prayers of praise, petition, adoration, and lament. Jesus both teaches us how to pray and encourages us to rely on prayer for our every need. For Jesus, “when you pray” assumes that prayer in our lives is just as necessary as breathing - it is a given; it is life sustaining; and, it is powerful.

As you look for ways to be Christ to all of our neighbors, begin with prayer. Prayer opens us up to the movement of the Holy Spirit, it prepares us to receive holy instruction from God, and it softens our hearts to experience holy transformation into Christ’s very likeness.

## Inter-generational Prayer Partners

As our whole world journeys through a time of social isolation, the importance of community and connection has grown increasingly more obvious. But, in the Church, we have always known that the Body of Christ does not function without every member. We are called to use our gifts, to love one another, to carry one another's burdens, to pray for one another, and to be united in our love for Christ and for each other. A wonderful way to foster this spirit at Trinity is through our inter-generational prayer partners! We hope to connect Senior Adults with the children and preschoolers from our church through prayer, cards, and calls of encouragement. Interested? Email Lydia at [ltatum@tbcraleigh.com](mailto:ltatum@tbcraleigh.com) to sign-up and be connected with a child and his or her family through prayer!

## Adult Children Caring for Aging Parents Resources

Caring for a parent at anytime can be challenging, but COVID times makes it especially difficult. It can take a toll on your body, mind, and spirit, and you may need a little extra support - someone to talk to, a group who gets it, and a community to pray with.

You can find a list of support groups at

<http://resourcesforseniors.com/pdf/suppgrp.pdf>

And, you can find a community of prayer here at Trinity. Call or email Lydia to be connected with others who are looking for similar support.

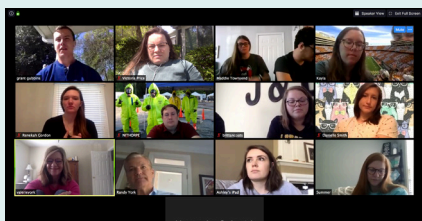

## A PRAYER FOR YOU:

May God go before you to lead you | May God go behind you to protect you  
 May God go beneath you to support you | May God go beside you to befriend you  
 Do not be afraid. Take heart. | May the blessing of God the Father, Son, and Holy  
 Spirit be upon you. | Do not be afraid. Take heart. | Go in peace to love and be  
 with the Lord. | Amen.
