

TRINITY BAPTIST CHURCH

# TRINITY TIMES

Belong. Become. Be.

I am happy to share some new faces that you will see in worship and in our church office and campus as we begin the summer.

**Julie Williams is our newest Administrative Assistant.**

Julie is originally from Gainesville, FL and met her husband Travis at Southeastern Seminary. Travis is a church planter and currently a local church pastor. Travis and Julie have 6 children and have been in the Raleigh area for 22 years. Julie previously served for seven years as an Administrative Assistant at another

local Baptist church. She and her husband Travis have given leadership to Raleigh Baptist Association's ministry to the State Fair Employees. Julie will be our main receptionist and will be supporting Rev. Davis and Rev. Byers.

**Debbie Argento has assumed the role of Pastoral Administrative Assistant** and will be assisting Dr.

Roberts and Rev. Tatum. Debbie previously served as our part-time receptionist. Debbie will be focusing on our care ministry including our deacons, homebound, and hospital ministry. She also is the person you should call to place items on the church calendar and

for building use. Debbie is no stranger to Trinity. Debbie's children were active part of our youth ministry when they were teenagers and so we have a long relationship with the Argento family. We are delighted to have Debbie in this role.

**Alexa Forrester is our new youth communications intern** and will work towards engaging the youth group

and making new connections. She is from Raleigh, NC and started attending Trinity Baptist in elementary school. She is currently a student at NC State studying toward a degree in psychology with minors in public health and Spanish. Alexa has always loved working

with children of all ages and felt God's calling to work in her home church with the youth here. She has received so much joy from the youth group and hopes to give that joy to others. In her free time, Alexa likes spending time with her family, volunteering, and baking. Alexa hopes to deepen her faith and others' faith with this internship.

**Drew Langdon is our new connections intern for youth ministry.** Drew is from Raleigh, NC, and he Graduated from UNC Charlotte in 2021 with a Bachelors Degree in Religious Studies with a minor in Psychology. He has been attending Trinity Baptist Church since 2005 and his faith journey led him to be called into student ministry. Through his internship he hopes to gain experience in student ministry as well as being able to take what he learns at Trinity Baptist Church everywhere God calls him to go.

**Laury Holly will be serving our church as the Interim Recreation Outreach Coordinator.** Laury grew up at Trinity and has been a long-time member. Laury has always had a passion for our recreation outreach ministry and has given leadership as a lay person in our church through directing our Upward Basketball league and coaching numerous teams. Laury has recently retired from the Recreation Department of the City of Raleigh and is excited about helping her church with our ministry to the community through recreation. Laury will be coordinating the activities of the ROC and overseeing our Summer Camp program. If you want to volunteer at the ROC, please feel free to reach out to Laury.

I am so delighted to have each of these new team members.

***The Walk: Five Essential Practices of the Christian Life*** by Adam Hamilton

Please join us on Wednesdays at 6:15pm in room C303 beginning June 1!

We will study how to follow Jesus and experience more of God in our lives while growing to become the people God wants us to be. Let's discover 5 simple practices or disciplines that Jesus' followers also pursued.

Are you living life to the fullest or just going through the motions? Author Luisa Ward shares this story about loss, redemption, and forgiveness and finding God again in the midst of chaos. Sarah, a single mom and waitress at Moon Rock Café in Manhattan can't seem to make the nightmares of the accident on the bridge stop. She comes to find out that her closest friend and New York City cop Mike is having them too, but why? Will they find the answers they need? Can they find hope and meet God in the middle of their turmoil. Will they discover their purpose and why they are here just in time?

**ALWAYS A PLACE FOR YOU!** Find your place in the music ministry! If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

**Baptist Heritage Day was a special Sunday at Trinity this year.** Seeing our seniors participate in worship and lead us in song is always an enjoyable experience for me. It proves to me that all ages can lead us in worship and proclaim the Good News of Christ's love for us no matter what stage of life we're in. The PrimeTimers Choir, Trinity Laymen, and the Bells of Praise helped us celebrate this special day when we also recognized Dot Drew with the Baptist Heritage Award for 2022. After many months out of worship, it brought us all joy to see our church enjoying those special times we once celebrated together before the pandemic. I'm so glad that this special day has returned and hasn't changed. Seniors, thank you for your years of service and dedication to the Lord and His service.

**Our vocal ensembles are preparing for worship leadership on Wednesday nights.** They will be singing in worship on May 15 in the 10:55 am service.

**The Preschool Choir, Children's Choirs, and Student Choir** have taken a break for this season. We will be advertising our startup dates and times for the Fall over the Summer months. Many of you have cautiously returned to choir participation, and we're glad you did! We hope to see many more children and youth engage in the Fall so that we can keep our graded choir program of the past current and strong for the future. We need you and your leadership!

**We could always use more people to join our slide team on Sunday mornings.** Currently, we have a team of three operating the slides for worship. We really need to expand this team in order to have more backups. The slide projection helps us in worship and for our streaming of the worship service. It is not a difficult technology to operate, and with a little bit of training you will be up and running. It would be most helpful to build a larger team that can rotate out our staff members have other worship responsibilities. If you are good with technology and are looking for a place to serve, then this is a great place to start. Give me a call if you are interested in joining the team.

Until we meet again!  
Steve

Through Jesus, therefore, let us continually offer to God a sacrifice of praise--the fruit of lips that openly profess his name.

— Hebrews 13:15

## Sunday School News

**NO SUNDAY SCHOOL ON MAY 29  
ONE WORSHIP AT 10:30AM**

Twenty-nine years is a wonderful tenure in any occupation. But to share it in ministry with those you love is a true gift. I am grateful for a strong church in which to serve. I am grateful for the way you have allowed me to reinvent and reinvest my calling and be an advocate for women and children, a trainer of leaders and a writer of curriculum. Thank you for being church and family to me for 29 years. Thank you for the kind notes and thoughtful ways you have shown appreciation.

Being trained as a teacher is a discipline to nurture. I learned early on that the church must also teach and prepare her members to share, to care and to prepare. There is a world that needs to know about Christ and we are called to be His witness. Our example for teaching comes from Jesus. Jesus of Nazareth spent his life in a tiny country but his purpose encompassed the world. His public career lasted only 3 years. But His influence has lasted for nearly 21 centuries.

How did he do it? How was Christ able to have so much influence in such a short time? When we look to the gospels, the answer comes through with clarity. Jesus was first and foremost a Teacher. He preached the good news of the kingdom of God; but his hearers called him Teacher. He healed the sick and comforted the troubled; but those who benefited from his ministry knew him as Teacher. He called disciples to his side; they thought of him as Teacher. Jesus rebuked hypocrisy and sterile tradition, thus incurring the wrath of religious leaders. And even those who opposed him, addressed him as "Teacher." His followers would eventually come to know him as "Christ," Savior," and "Lord." But even beyond the resurrection, their vision of him as "Teacher" remained undiminished.

In the Gospel narratives, teaching is clearly the most characteristic activity of the ministry of Jesus. And so, this is a lesson for us. Jesus commands us in Matthew 28 to "go and make disciples of all nations.....and teaching them to obey everything I have commanded you."

The church must teach. We must encourage one another. We must continue to study and have our lives changed and to help change other lives by what we learn from the Master.

Please show appreciation to your Sunday School teacher and those of your children or youth for the effort they give toward preparing and teaching each week. If you are not in a Sunday School Class, let me encourage you to find one and prepare to learn. If you are interested in a small group Bible study, please contact me. If you are seeking to study on your own, do not neglect the fellowship that comes from learning and supporting others.

And make plans to join us this summer as we study Five essential practices of the Christian Life in "THE WALK." (see details on page 4)

## INTERNATIONAL MISSION TRIP TO *Door of Hope in South Africa*

**OCTOBER 13-25, 2022**

Through our partnership with Baptists on Mission, our Trinity Team will have the opportunity to help build small cottages that will house an average of 6 children along with a host couple. Cottages will be made of interlocking cement blocks that will be made on site and then stacked to build the cottages. The process is quite simple and does not require skilled labor. We will have the opportunity to worship with and encourage local churches, and we will discover that the encouragement and the missions effort certainly goes both ways.

Since 1999, Door of Hope has rescued over 1750 abandoned infants with the goal of providing them a temporary Christian home while seeking long term foster care or permanent homes for each one. There are many older children not chosen for adoption who need a long term home, and that is where these cottages and foster parents come in.

***A Special Interest Meeting will be held on Wednesday, May 11, 2022 at 6:45p.m. in the fellowship hall directly following the Annual BBQ Meal.***

## North Raleigh Ministries Launches New Transitions Program to Support Families

When someone is in crisis (be it job loss, a medical emergency or other financial hardships), they often feel stuck, not knowing what next steps to take or how to overcome that crisis. Through Transitions, NRM seeks to meet their spiritual, emotional and physical needs, equip them to overcome their current crisis and help them better prepare for future crises. With **22,700 families** living paycheck to paycheck in our community, Transitions is an essential part of the program model that sets people on a path to a more stable future, provides the tools to move forward and equips them to walk through unexpected challenges with strength and hope.

The Transitions Program provides 6-8 weeks of one-on-one meetings with a case manager, identifying and assessing areas in life that participants want to change, setting solution-focused goals to make those changes a reality, and weekly groceries to save funds for other critical expenses.

Oftentimes Fridays fill up with necessary things - administrative tasks, certainly, but more so stopping what we are doing to honor a life well lived, helping a young couple plan their wedding, and preparing to help a church engage in missions.

It is with that said, that I truly regret having to place our Friday Bible Study on sabbatical. This summer will be used to regroup, plan, organize, and pray so that we can start back strong in the fall.

Thank you all for your continued faithfulness in studying together.  
I look forward to meeting again!

## Bread Making With Theo

Theo and his Wife Nancy have been longtime members of the ROC. You can find them there just about everyday walking the track and working out. A while back, Theo asked if there was a way he could give back to TBC and after much thought, he asked if he could lead a breadmaking class (*side note: Theo makes delicious bread, pizza, and other treats that he often brings to the ROC Volunteers Hint Hint!*). After much planning, Theo's master plan came together and he led our first bread making class! Everyone had a great time and went home with some delicious bread to bake!

We're thankful for the community and connections that are made each day in the ROC! Be on the lookout for ways that you can engage in the Recreation Ministry and be a part of just another way the Lord is at work here at TBC!
