ALWAYS A PLACE FOR YOU! Find your place in the music ministry! If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

Our preschool & children's choirs, Student Choir, PrimeTimers Choir, and adult ensembles are taking a break for the Summer. All of these groups will begin after Labor Day. To all of our singers and leaders, thank you for a great year of making music together. See you in the Fall.

The Summer is a great time to get involved in **the Sanctuary Choir** again! Realizing the next three months are high vacation times, it is still a great time to return or try the choir ministry as a way of service to God and His people. I encourage those who've been away since the pandemic hit to consider coming back to the loft. Let me know if you want to return and we'll get you prepared!

We are building our slide team with a few new recruits. We could always use more people to join our slide team on Sunday mornings. We really need to expand this team in order to have more backups in case of absences. The slide projection helps us in worship and for our streaming of the worship service. If you are good with technology and are looking for a place to serve, then this is a great place to start. It's easy and a valued place of service in our worship as a church. Give me a call or drop me an email if you are interested in joining the team.

Until we meet again!

Steve

Through Jesus, therefore, let us continually offer to God a sacrifice of praise--the fruit of lips that openly profess his name.

INTERNATIONAL MISSION TRIP TO *Door of Hope in South Africa*

OCTOBER 13-25, 2022 | \$500

Through our partnership with Baptists on Mission, our Trinity Team will have the opportunity to help build small cottages that will house an average of 6 children along with a host couple. Cottages will be made of interlocking cement blocks that will be made on site and then stacked to build the cottages. The process is quite simple and does not require skilled labor. We will have the opportunity to worship with and encourage local churches, and we will discover that the encouragement and the missions effort certainly goes both ways.

Since 1999, Door of Hope has rescued over 1750 abandoned infants with the goal of providing them a temporary Christian home while seeking long term foster care or permanent homes for each one. There are many older children not chosen for adoption who need a long term home, and that is where these cottages and foster parents come in.

REGISTRATION DEADLINE

All registrations must be submitted no later than June 17, 2022 in order to lock in flights. Email Lydia if interested at ltatum@tbcraleigh.com.

HEALING HANDS OF FAITH MINISTRY

Healing Hands of Faith (HHF) consists of caring believers from Trinity Baptist Church, joining hands with God, to minister to the holistic health needs of the faith community, focusing on the intentional care of the spirit.

HHF health ministers will assist church members, and non-members, transition through multiple stages of healthcare by acting as liaisons and integrators of faith and health. Our mission of holistic healthcare for our congregation will be accomplished through HHF health ministers working as:

1. **Health advocates**—providing non-invasive health care such as blood pressure and heart rate checks, physical assessments, as well as aiding in understanding and effectively using health care and social service systems.
2. **Health educators**—through individual and group education on health promotion and disease prevention.
3. **Health counselors**—assisting with visitation and follow-up in homes, hospitals, and long-term facilities.
4. **Referral advisors**—referring individuals to a pastor, a physician, or community services as needed.
5. **Health liaisons** - acting as a go-between for the congregation and community resources, as well as making our ministers aware of needs.
6. **And faith and health integrators**—seeking to promote understanding of the relationship between faith and health by providing spiritual care and guidance around health issues.

WAYS TO PRAY FOR VACATION BIBLE SCHOOL 2022

Pray for open hearts.

In Matthew 13, Jesus shares the story of a farmer scattering seeds. The seeds that fell on good soil thrived, producing a harvest beyond the farmer's wildest dreams! Ask God to begin preparing kids' hearts, softening them and opening them to take in the "seeds" of God's Word.

Pray for relationships.

When VBS kids build friendships with other kids and loving adults, it creates an open door for them to begin or deepen their friendship with Jesus. Go through your registration list and "pray" the name of each child, asking God to bring a special, surprising friendship into that child's life during VBS.

Thank God for families.

Parents or caregivers are usually the ones who get kids in the door of your program. They've signed kids up and will likely be bringing them each day. Thank God for sending each family your way! Thank God for parents, grandparents, or even babysitters who love him and want kids to know and love him, too.

Pray for wise staff members.

Crew Leaders or small group leaders hear a lot about what kids are going through, what's on their minds, how they're struggling, and what worries they have. Ask God to pour his wisdom into your leaders as they interact with kids, giving them the right words and actions to reflect the heart of God.

Listen.

Spend several minutes in silence, listening for the plans God has for your VBS. His plans may be a little different from yours! Maybe you want huge numbers...but God just wants a certain person to be there. You may have visions of everything running perfectly...but God is going to do amazing things through "imperfect" circumstances. Rest in God's hands, and give your program to him.
