

TRINITY BAPTIST CHURCH

TRINITY TIMES

Belong. Become. Be.

This summer several small groups have used the study "The Walk" by Adam Hamilton. In the introduction of his book, Hamilton comments: *The image of walking with God or God walking with us is found throughout the Bible as a metaphor for the life of faith. As the Biblical story begins, God is described as walking in the Garden of Eden, searching for his children as they hid from him.*

Later he would write that when scripture speaks of "walking with God" it is a way of speaking about our life with God. Moses instructs us to "walk in God's ways" and the Psalmist declares "Teach me your truth that I can walk in your truth." The Apostle Paul writes of us "walking in the newness of life" and to "walk by faith and not by sight."

When I think of "walking with God" I think of a very active faith that is on a journey through this life. I think of what it means to face life's most difficult situations but to do so knowing we are passing through and that whatever the challenge it is not the destination. When I think of "walking with God" I think of the active presence of God's Spirit that calls, guides, teaches and gives wisdom and peace. This Fall we are going to go on "a walk" with God. We will explore what it means to walk with God in some of the hardest moments of life. We begin this journey on August 14, 2022. Come and let us walk with the Lord!

W E N E E D FAMILY PROMISE PARTNERS A U G U S T 7 - 1 4

Family Promise provides professional case management as well as food, shelter, and transportation for qualified homeless families as they work to restore their independence. Family Promise is one of the few agencies in the area committed to helping homeless families stay together.

This is accomplished through the support of various churches in Wake County. Trinity became part of this network in July 2005. We are assigned 3 weeks a year when Family Promise “guests” make Trinity their home.

Although Family Promise families will not be coming to Trinity’s physical location in August, we will still “host” up to three (3) families by providing dinners and most importantly by praying for them and the Family Promise ministry. Please use Signup Genius (bit.ly/FPSignupAug2022) to volunteer.

TBC LIBRARY NEWS

THE PRAYER JARS TRILOGY

The past brings healing to the present in Wanda Brunstetter's "The Prayer Jars" trilogy.

Antique jars hidden around an Amish farm are found filled with slips of paper containing thoughts, quotes, and prayers by an unknown author. Three young women each find a jar that takes her on a journey of personal reflection. When the author is revealed, can the jars become a tool to restore a family's faith?

All three books in the series, *The Hope Jar*, *The Forgiving Jar*, and *The Healing Jar*, are available on the shelf in the TBC

Library and are also available as eBooks in the TBC Digital Library.

In order to access eBooks, you must have a **TBC Library Card** and request to be on the eBooks approved list. In order to use eBooks you will have to add the Libby by OverDrive app to your smartphone, tablet, laptop, desktop, or Kindle. If you need a TBC Library card or you need to be added to the eBooks list, you may call or email Ron Brown at 919-782-3957 or rbrown0207@gmail.com for assistance.

SAVE THE DATE

SHREDDING EVENT ON SEPTEMBER 24, 2022

9:00AM - 12:00PM | TRINITY'S A/B PORTICO

ALWAYS A PLACE FOR YOU! Find your place in the music ministry! If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

Reason #2 to join a choir: Music is a vital part of our church worship and ministry. Music was very much a part of culture and worship practices many centuries ago and has developed into an intricate and important part of our communicating God's message today. Worship music helps us communicate and express a sense of awe and wonder in the presence of a holy God; it should always lead our thoughts toward God rather than toward ourselves and should be theologically sound and supportive to our worship of Christ. It is both a means of expression and of teaching in the body of Christ, especially through the rich hymnody of our faith. We can learn so much about God in worship through the lives of those who've gone before us and from those who testify of God's goodness, faithfulness, and love in song today.

For the sake of today's church and of tomorrow's believers, music and song must continue to help shape our church and the church to come. We need singers and instrumentalists to carry on the calling we have to make His praise glorious (Psalm 66:2) with psalms, hymns, and songs from the Spirit (Col. 3:16). The choir experience is a great place where we lead other worshippers in the worship of Christ and grow in the faith. You are welcome to come join a choir and experience first-hand the love of the Lord and the music we offer Him!

Our Fall program will be restarting for Wednesday nights on September 7.

I'm getting excited about our "Midweek in Midtown" theme for Wednesday activities! Our children's choirs and ensembles will begin their preparation for worship and seasonal offerings. Parents, begin planning for children's choirs now! We will be doing the Hanging of the Greens on November 27 (Rehearsals on November 20), and we will need to rebuild our choirs after the disruption of Covid. Music is a valuable part of our church's ministry and I hope your children and students won't miss out!

SAVE THE DATE: Student Choir will begin on September 11 at 6:00 pm! Students in grades 6-12 are invited to come and be a part of the fun. More info coming to you soon!

Until we meet again!

Steve

Through Jesus, therefore, let us continually offer to God a sacrifice of praise--the fruit of lips that openly profess his name.

— Hebrews 13:15

Sunday School News

The Nominating Committee and Ministers are still seeking quality Bible teachers to work with our preschoolers, grade schoolers and youth. If you feel like this is an area you can serve, please let us know. Teaching God's word is one of the best ways to assure God's message continues.

WHY THE CHURCH MUST TEACH

Teaching is an essential ministry of the church. First, it is inevitable because of the human thirst for meaning. Second, Christianity is an historical religion, and the content consists primarily of the saving acts of God among God's people most obvious within the ministry of Jesus Christ. A believing community is hard pressed to discern the faith content of thousands of years on more than a thousand pages of scripture, except by the continuous and competent process of instruction. When the church fails to teach appropriately, false teachings will rush in to fill the vacuum.

Two concepts occur in modern times regarding religious education. One is of Biblical and theological depth of content and expression -and the other is practical church programming that may lack the Biblical and theological depth. A good teaching ministry combines these two separated disciplines into equal balance. We need to know the scriptures and biblical scholarship and relate it in a practical matter within community such as, through a Sunday School or discipleship class.

In the gospel narratives, teaching is clearly the most characteristic activity of the ministry of Jesus. Therefore, teaching should be an essential function within the Christian community. We must study, prepare, and teach to remain a viable witness to our community. Teaching may take place in worship services, Bible classes, counseling sessions, training events, choir rehearsals, and Christian homes. We must explore the Word of God and be willing to share that word with others.

I am proud of the teaching ministry of Trinity Baptist. We have specifically called men and women who answer the challenge to share Christ in their community. We have a teaching pastor that sets the example. We have teachers who research and discern scripture as lead by training and the Holy Spirit.

Thank you, Trinity Baptist for answering the call to share Christ in our community by teaching. Thank you for obeying the Word of God as revealed by Christ, recorded in scripture, interpreted by the Holy Spirit, and affirmed by Christian tradition.

Let me challenge you to join a class or accept the call to educate and share in the ministry of teaching. The life you bless may be your own.
