

TRINITY BAPTIST CHURCH

# TRINITY TIMES

Belong. Become. Be.

As we begin the month of November, we naturally turn our attention to Thanksgiving. Although it comes at the end of the month, there is something about that holiday that becomes the theme of the month in our culture. A Bible verse that has always intrigued me is 1 Thessalonians 5:16-18 where Paul writes:

*Rejoice always, **pray** continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.*

In these three instructions, Paul reminds us of the right attitude of living which comes from a living a life of thanksgiving. We rejoice always. We rejoice always because life is a gift. To be sure there are many things in life that are difficult. There are challenges we all face and there are some moments that can overwhelm us. We all know the feelings of suffering, grief and pain. We look around the world and see others whose suffering is beyond our comprehension. Yet, Paul writes to us rejoice always. Paul knew every type of suffering. He knew physical pain, emotional rejection, the uncertainty of tomorrow, and even loss of freedom for the sake of the gospel. Yet, this man could write rejoice always. It reminds us that joy is not a simple feeling of happiness but it is the knowledge that our lives are a gift from God. So, no matter our trial, we rejoice knowing that God has created us and blessed us with living.

In thanksgiving we pray continually. This is Paul's ways of reminding us that we are to live life with the constant thought of the presence of God. To pray continually is to live life in conversation with the God who created us. Prayer creates a spirit of humility. It reminds us that God is God and we are not. It reminds us that in a world that is always clamoring about who is in control and who is in power, Jesus reminds us to seek to be servants of all. Prayer, for a lack of better analogies, puts us in our place. Yet, this place is the place where we want to be. It is the place where we can see life through God's perspective and the view of eternity. This constant conversation with God builds within us a spirit of gratitude for the presence of God in our lives.

In thanksgiving we make the choice to give thanks. Paul writes, give thanks in all circumstances. In all things, give thanks. We all know how difficult that can be. To give thanks in all things does not mean we are oblivious to the pain we suffer or the suffering of others. To give thanks in

*continued from previous page*

all things means we trust our God who is more powerful and always at work in our lives regardless of the circumstances. Once we recognize that life is a gift and God is present then the natural response is to be thankful always.

As we begin this month I want to say thank you to you as a congregation. During the month of October our Personnel Committee encouraged you to encourage our staff. We are all so grateful for your words of kindness, cards and gifts. We are overwhelmed with thanksgiving for you. I have always said that there are few jobs where you get a thank you note for doing your work. I am grateful to you and give God thanks for you.

I hope as you begin this month you will consider what it means to rejoice, pray and give thanks. Those three actions put us in the place where we can know God, hear God and experience God. No wonder Paul writes these three actions are God's will for us in Christ Jesus.

## TBC LIBRARY NEWS

### SECRETS OF THE CANYON SERIES

With her past behind her, she has nothing--and everything--to lose. After being kidnapped as a child, heiress Emma Grace McMurray has seen firsthand the devastation that greed causes in the world, and she wants nothing to do with it. When she discovers her father has offered her up as a bargaining chip to expand his empire, she disappears into the night. Determined to stay hidden, even if it means always looking over her shoulder, she finds herself working as a Harvey Girl at the El Tovar Hotel.

When Ray Watkins arrives at the hotel on business, he is immediately captivated by the beauty of the Grand Canyon. Though his fame-seeking father aims to lure new investors to the Arizona Territory, Ray dreams of one day taking over the family business and doing good with the profits. Ray immediately admires Emma Grace, and though an attraction begins to form, she can't let go of the deep-rooted fear that he's just like every other wealthy man she's known. When suspicious activity follows Emma Grace and Ray to the El Tovar, they are pulled into a mystery that stirs up their worst fears. And as shocking revelations come to light, they are left to question all they thought to be true.

### WINTER 2024-LENT THEME

## Saying Yes to Jesus Communally

Theme and Sunday School Focus for Winter 2024

JANUARY, FEBRUARY, MARCH, APRIL

The Focus is on saying "Yes" to Jesus communally.

How to say "Yes" within community

We are asking all adult Sunday School classes to teach from one curriculum and that curriculum will follow Jeff's sermon series. We will suspend all adult curriculum orders for the trimester of Jan.-April. We are asking that you teach from the Connections curriculum we purchase for you. This enables each adult class to be in harmony with the sermons each Sunday. (Lifeway curriculum will be purchased only so that current users can have the December and May units.) We are excited that all Adult classes will be using the same curriculum.

Smyth& Helwys **Connections** follows the Lectionary Passages that Dr. Roberts will be preaching from.  
January -April 2024

## Operation Christmas Child Dedication

*We've run out of labels so please scan the QR code to print a label at home. Thanks for understanding!*

## ALWAYS ROOM FOR YOU!

Find your place in music ministry in 2023! If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

**Special thanks to all of our children and leaders for singing on Children's Sunday last Sunday!** Listening to what the students have been learning this season was such an enjoyable part of my worship as I watch our future church leaders grow in their faith. We teach that children are actively involved in learning about Jesus and serving Him at the same time, and that was so evident in both services. Thank you, parents, for bringing them every week to choir, and to our leaders for their faithfulness and leadership!

**Our Student Choir** sings in worship on November 12. We will meet at 10:30 to rehearse in the Sanctuary.

**Hanging of the Greens is December 3! Our rehearsal day is November 26.** Each choir needs to be in their rehearsal rooms at 4:00 pm to prepare for the day. It is a 2-hour rehearsal day, so make your plans to be present and accounted for!

### Sunday, November 26 | Hanging of the Greens Rehearsal

**(Preschool Choir doesn't rehearse on this day)**

This is an important rehearsal for the Hanging of the Greens. It is the only rehearsal for it! **Please make it a priority in your family planning.**

- 4:00 PM Children's Choirs rehearse in normal rehearsal rooms
- 4:20 PM Music Makers Choir rehearses with Joy Earp in Sanctuary
- 4:50 PM Young Musicians Choir rehearses with Joy Earp in Sanctuary
- 5:00 PM Student Choir rehearses in Choir Room
- 5:30 PM Mass Rehearsal for Sanctuary Choir, Student Choir, & Children's Choirs in Sanctuary
- 5:45 PM Children's Choirs go to rooms/check-out; dismiss
- 5:50 PM Student Choir rehearses music in Sanctuary

- 7:00 PM Students dismissed (could need longer!)

**We are looking for more recruits for our Slide Team for worship.** If you're interested in becoming a part of the team, drop me an email or call the church office to get on a training list.

Until we meet again!  
Steve

Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts

## SABBATICAL LEAVE | October 9 - November 11

This last leg of my sabbatical is one of sober awareness. I am heading to Nashville to join with other pilgrims at the Spiritual Academy as we delve into contemplative reflection on our nation's history and participate in a civil rights pilgrimage through Nashville, Atlanta, and major cities and sites of note in Alabama like the Equal Justice Initiative Legacy Museum. It is important to face our history even when it is something we don't want to see or remember. As author Grace Elizabeth Hale states in a recent book, "History isn't distant and abstract -it's us. All history is somebody's family story." Many of us do not want to remember or know what happened. But erasing history is foundational to why racism, genocide, dominance of one culture over another and white supremacy persists today. Through my readings I have discovered some honest awareness of my own white privilege. My thoughts and focus are centered on why this is becoming so prevalent among God's people again or did it ever stop. How can the church take the lead to combat racism and change the world? If we desire a better world for our children, we need to work on becoming a better ancestor. I look forward to being back with you next Sunday, November 12. .

## A VERY WELCOME (HOUSE) CHRISTMAS

For the last few years, Welcome House Raleigh (WHR) has collected Christmas Bags for its community of families. Follow the QR Code Below to find the items needed for each bag.

Last year, we committed to 4 bags and delivered 8 of them. This year, we are extending this opportunity churchwide, and hope to be able to supply 20 bags.

There are 2 ways that you or your class can help this year:

1. You can agree to purchase the items for one or more bags. Please deliver the filled bags to the TBC office no later than Sunday, Dec 10.
2. You can collect money to fund a bag or bag(s). My "back of the envelope" estimate is \$200 per bag. Money should be given to Joy or Lydia by Dec 10.

Please let Lydia (ltatum@tbcraleigh.org) or Joy (joyhodge@live.com) know how many Christmas bags your class or individuals wish to provide. We need to communicate those numbers to WHR for their planning.

Many thanks,  
Joy Hodge Blashaw

Here at TBC we believe children are welcome and have an important place in worship! In the book of Mark, we hear from Jesus...

People were bringing little children to him in order that he might touch them; and the disciples spoke sternly to them. But when Jesus saw this, he was indignant and said to them, 'Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs. Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it.' And he took them up in his arms, laid his hands on them, and blessed them. (Mark 10:13-16, NRSV)

Jesus longs to encounter people of all ages!

Worship is an important place for all of us, including children, to experience God's grace, learn how to give thanks to God and grow in relationship with God. Children and worship, therefore, go together beautifully! Worship is a place where ritual is available and welcoming, week after week, to connect us with God and a faith family. Children can find a sense of identity and belonging in the ritual of worship and are sent to use their hands and feet to share the love of Jesus with the world.

So, today I hope Sunday as the children were leading you were reminded of your childlike faith. I hope as our children led you experienced God as we learned more about the beatitudes and how to live a life that honors God in all we do and say.
