

TRINITY BAPTIST CHURCH

TRINITY TIMES

Belong. Become. Be.

The waiting is finally over! I am so excited that we will welcome Rev. Taylor Miskel to our ministerial staff. Taylor will officially begin her ministry as our Associate Pastor for Student Ministry on April 1. We are all looking forward to welcoming her, her husband Matt and son Emmett to our family of faith. I often feel, in moments like this, like the person who has two good friends and the two friends do not know each other. I am always excited to introduce two of my good friends to one another. I am excited because I know each of them are going to have their life enriched by knowing each other. That is how I feel as we welcome Taylor to our church.

I have listened to her and have heard her love for Jesus, the church, and students. I have witnessed her maturity and leadership abilities. I know she has so many gifts that will enrich our church. At the same time, I know you as a congregation. I have experienced for 24 years what it means to be encouraged and loved by our church. I am so excited for Taylor and her family to experience being a part of this family of faith. I know there is so much potential for meaningful ministry to our students and with our parents in the years ahead. There is much to be grateful for and excited about.

I hope you will take some time to welcome Taylor to our church. Write her a card, speak to her in the hallways and share your name and support, pray for her and her family in this time of transition. Pray for our students, volunteers, and parents. Our student ministry is an important part of our congregation. We value our students and all they bring to our congregation and church family.

Finally, as we make this transition on ministerial staff, I want to express my deepest gratitude to all who have given leadership to our student ministry during our interim period. Our adult volunteers have been so faithful to make sure our students know they are loved and are important. Our Search Team and Student Ministry Committee have given so much time to give us stability and ensure the future. Rev. Brooks Warren has been an excellent leader during this time. He not only led our search team but gave leadership to our Wednesday night programs. In addition, Dr. Andy Jung has been a constant resource during our search and in giving leadership to our Student Ministry during the transition.

GENERAL ANNOUNCEMENTS

Then of course there is Drew Langdon. Drew, who has served as our intern for the last two years, willingly accepted more responsibility as our Interim Student Minister. Many of you may not know that Drew grew up here at Trinity and his love for our church and our students is evident in all he does. I am so grateful for his leadership. Drew will continue to serve us in the coming year as our Resident for Student Ministry as he continues to pursue his M.Div. at Campbell Divinity School. His presence will give us continuity and support for Rev. Miskel.

Pray for our Student Ministry and this new beginning. To Taylor, Matt and Emmett we say...**WELCOME TO TRINITY!**

TBC LIBRARY NEWS

MY DEAREST DIETRICH

Maria von Wedemeyer knows the realities of war. Her beloved father and brother have both been killed on the battlefield. The last thing this spirited young woman needs is to fall for a man under constant surveillance by the Gestapo. How can she give another piece of her heart to a man so likely to share the same final fate? Yet when Dietrich Bonhoeffer, an old family friend, comes to comfort the von Wedemeyers after their losses, she discovers that love isn't always logical.

Dietrich himself has determined to keep his distance from romantic attachments. There is too much work to be done for God, and his involvement in the conspiracy is far too important. But when he encounters a woman whose intelligence and conviction match his own, he's unprepared for how easy it is to give away his heart. With their deep love comes risk--and neither Dietrich nor Maria is prepared for just how great that risk soon becomes.

My Dearest Dietrich by Amanda Barratt is available on the shelf in the TBC Library and is also available as an eBook in the TBC Digital Library and is also in the TBC Digital Library.

In order to access eBooks, you must have a TBC Library Card and request to be on the eBooks approved list. In order to use eBooks you will have to add the Libby by OverDrive app to your smartphone, tablet, laptop, desktop, or Kindle. If you need a TBC Library card or you need to be added to the eBooks list, you may call or email Ron Brown at 919-782-3957 or rbrown0207@gmail.com for assistance.

According to a [Pew Research article](#) published in January of this year, about **28% of U.S. adults** are religiously unaffiliated. Researchers call them **NONES** because they describe themselves as atheists, agnostics, or “nothing in particular” when asked about their religion.

Ryan Burge, a researcher and American Baptist pastor, [estimates that number to be about 30%](#). However, secularization is not advancing at equal rates in the United States. While 74% of the Silent Generation (born 1925-1945) identify as Christians (protestant and Catholic), the numbers plummet to 38% for Gen Z (born 1997 to 2013).

Religious Composition by Generation

@ryanburge
Data: Cooperative Election Study, 2020-2022

While these numbers are alarming, it is important to dig a little deeper into the numbers to find a glimmer of hope. Pew Research shows that most “nones” believe in God or a higher power. Most say religion does some harm, but many also think it does some good. They are not always anti-religious.

In addition, findings from [Springtide surveys and interviews](#) completed in 2022 show that 68% of young people, ages 13-25, consider themselves at least slightly religious. On top of that, 77% say they are at least slightly spiritual. Though young people may not be flocking to church each week, these figures suggest they remain deeply interested in developing their faith – in whatever form that may take.

Call me an optimist, but this gives me hope. Yes, I would love for more of today’s young people to become lifelong followers of Jesus. Yes, I want them to experience warm and loving church families who will be with them through the highs and lows of some of the most turbulent times of their lives. Most of all, I want them to experience the transforming power of Jesus and the abundant life Jesus promised in John 10:10. So, let’s continue to welcome our young people into our family of faith by showing them love and empathy.

Special thanks to the Sanctuary Choir, Accompanists, Narrators, and Tech teams for their presentations of The Power of the Cross this past Sunday. The message in song was powerful in song and in narration. The passion of our Lord is something to remember each and every day, but especially as we approach the most significant day of the year: Resurrection Sunday! Have a blessed Easter!

Mark your calendars!

There will be no rehearsals (except Orchestra) on March 27. Student Choir and Bells of Praise will not rehearse on March 31. Rehearsals will resume on April 7.

Children's Choir Program, April 24, 6:30 PM

Parents and children, our choir program ends with a concert on April 24, so make sure you have this important date on your calendars. Our children learn so much about Jesus and their faith through song, and when we hear their voices sing about Jesus, it does the heart good! Looking forward to this important day of celebration.
