TBC LIBRARY NEWS PACIFIC COAST JUSTICE SERIES

Detective Carly Edwards hates working in juvenile--where the brass put her after an officer-involved shooting--and longs to be back on patrol. When a troubled youth, Londy Atkins, is arrested for the murder of the mayor and Carly is summoned to the crime scene, she's eager for some action. Carly presses Londy for a confession but he swears his innocence, and despite her better judgment, Carly is inclined to believe him. Yet homicide is convinced of his guilt and is determined to convict him. Carly's ex-husband and fellow police officer, Nick, appears to be on her side. He's determined to show Carly that he's a changed man and win her back, but she isn't convinced he won't betray her again. As the investigation progresses, Carly suspects a cover-up and strikes out on her own, uncertain whom she can trust. But when danger

mounts, she begins to wonder if she made the right choice.

THE TRINITY LAYMEN

It is with mixed emotions that The Trinity Laymen have decided to retire as a group effective July 1, 2024. We will be around as individuals serving in various ways at Trinity Baptist Church. We are saying farewell to rehearsals every week and on the road to other churches 8-10 times annually. We have held concerts in over 100 churches, as well as numerous times here at Trinity. We have enjoyed being able to be a part of worship on a regular basis and ministering in times of sorrow and times of joy with our church family. Thank you, Trinity Baptist Church, for lovingly supporting us in our ministry for the last 37+ years.

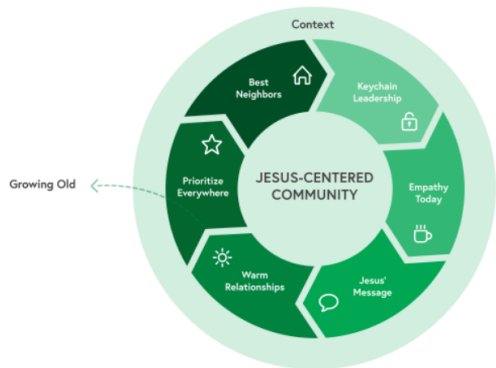

We are looking forward to a "Farewell Concert" here at Trinity on August 25, 2024 at 6:00pm. Mark your calendars and look for more information.

BUILDING AND GROUNDS

We have contracted with Baker Roofing to do the shingle repair work for Building E and the ROC. The repairs are scheduled to begin on July 22nd. While we are working hard to minimize impacts and keeping this job on our scheduled timeline, we value and appreciate your cooperation during this time.

In Fuller Youth Institute’s research on how to best engage and retain young people in the church, we saw six principles that were shared by churches who were exemplars. We’ve discussed four of these principles (Keychain Leadership, Empathizing With Today’s Young People, Taking Jesus’ Message Seriously, and Warm Community) in previous editions of *Trinity Times*. In this edition, we tackle Prioritizing Young People and Their Families Everywhere.

In the *Growing Young*, we noted this core commitment as the **hinge point** in the Growing Young Wheel. We recognized that churches can do the other core commitments well but if they don’t pay attention to this core commitment, churches tend to grow “older.”

Sometimes, prioritizing young people and their families can come across negatively to people in older generations. Some see this core commitment as leaving older generations behind and only focusing on the young people. This is **NOT** the case. Prioritizing young people and their families doesn’t mean that we only serve them but rather we become more intentional about asking, “**How will young people be involved?**”

Young adults do not want to be catered to or coddled in any way. Young adults are seeking scaffolding for their lives and for their involvement in the church. Think about scaffolding on a construction site. It allows you to build a large structure several stories high.

Putting up scaffolding doesn’t spoil the building process—it makes the construction possible. When churches prioritize young people, we make sure we’re providing the social, emotional, and spiritual support that they need to mature and grow into the people God is calling them to be.

Prioritizing young people regularly and consistently will help everyone rise as our church grows younger. Here is your takeaway: The next time you are in a committee meeting or planning an event, be the one who will think of the young adults and ask the question, “How will young people be involved?” Advocate for young adults and be their champion!

The Slide Team is recruiting workers for training. If you are interested in helping with this team, contact me so we can set up some training for you. **On July 21 at 6:00 pm**, we will have a slide team training for new volunteers. Please sign-up by sending an email to slbyers@tbcraleigh.com.

The Orchestra is taking a short break in June and July and will return in August. We've had a great year making music together and serving the Lord in worship. Maybe you've been thinking about joining this group but just haven't made the first step. Orchestra is for high school students and adults who can read music and commit to once a month services, usually on the third Sunday of the month. If you would like to have more information on our orchestra, please contact me. I look forward to working with you.

VBS MISSION PROJECTS: UPDATE!

Our missions focus for VBS this year will be the Baptist Children's Homes of North Carolina. With over 10,000 children in the North Carolina Foster Care System, the church is in a unique position to minister to these sweet kids and ensure they are placed in safe, stable and loving homes. During VBS, we will be learning more about the Baptist Children's Homes and the ministries they offer for families in North Carolina. We will also be holding two, separate drives to benefit this wonderful organization.

1) Miles of Pennies. A mile of pennies is \$844.40 when laid side by side. During VBS we were able to collect \$2768.85 which is 3.27 miles!

2) Our second focus for our VBS mission project was a hands on project for our children- we made birthday boxes for children in foster care!

During the children's VBS mission rotation they assembled Birthday Boxes for the children who live at the Baptist Children's Home. Each child should feel celebrated and valued, especially on their birthday! We were able to collect enough items for 40 birthday boxes **AND** were able to include gift cards in the boxes so that children will be able to pick out a special birthday present for themselves. Thank you for your support with this project!
