TBC Women's Luncheon

June 29, 2025 at 12:15 in the Fellowship Hall

Whether you are 18 or 78, God is inviting you into His work. We each are equipped with spiritual gifts, talents, knowledge, skills, abilities and strengths that can be used for His glory. Come and hear about a local ministry that was started with a passion and is growing because women are using their unique giftedness to serve.

Onehope Refuge in Wake Forest is a faith-based, long-term housing, trauma informed care model designed to bring stabilization, restoration and independence to women who are victims of human trafficking. Come hear the story of this ministry from the founder and executive director Jill Kearney. Learn about the needs and opportunities to join hands with God as women are delivered from the depths to new life through Christ.

If you would like to be involved in decorating for the luncheon, we are looking for volunteers to creatively sponsor and decorate a table. Please contact Stephanie Tepper for more information at 919-264-3493.

20 YEARS OF MINISTRY

As of May 2025, I have the profound honor of marking 20 years of ministry at Trinity Baptist Church. I am deeply grateful for this journey and all that it has encompassed serving on staff at Trinity Baptist Church. I could not have reached this milestone without the unwavering support of my family and friends—thank you, Krystal and Bodey, and so many others who have stood by me.

As I reflect on the past two decades, I'm overwhelmed with gratitude for the many memories, blessings, and the incredible people I've had the privilege to serve alongside. Thank you to my Trinity family for your love, prayers, and steadfast support through every season.

What Does Ministry With Young Adults Look Like?

You might be wondering why Trinity Baptist does not have special worship services for young adults and other specific programming that "draw" young adults together. Maybe you know of other churches that offer this and it seems to draw young adults in large numbers.

I get it. It's tempting, even for me. But beyond just my lack of time to lead a programmatic ministry, research continues to bear that age specific programmatic ministry isn't what young adults typically need. Ministry with young adults rarely follows traditional youth ministry approaches. The needs of young adults are not the same as teenagers or even college students.

Young adults rarely need games. They need safe spaces to share their honest thoughts, ask hard questions, and know they make a difference.

One young adult in FYI's research shared, "Making God a part of everything is easily said from the pulpit, but practicing to follow Jesus feels possible when you sit with other Christians and process it out loud at someone's house with good food and no pressure."

Process out loud.

Good food.

No pressure.

This young adult reflection is encouraging. We don't have to have special programming. We just need a willingness to share a table with a good conversation. Ministry with young adults is simply meeting them where they need us the most!

Young adults who are interested in following Jesus need help processing out loud with no pressure and no judgment. They thrive when faith communities take Jesus seriously and foster a warm community across generations.

This means that Trinity Baptist has hundreds of young adult ministry leaders. You are a part of our young adult ministry because you have the ability to share a meal together with young adults. You have the opportunity to share hospitality with others. You can offer a safe space with no pressure or judgment.

Welcome to ministry with young adults!

ALWAYS ROOM FOR YOU!

Find your place in the music ministry in 2025!

If you have singing or instrumental abilities, we need you. We are always looking for more musicians to add to our worship leading ministries at Trinity. Consider getting involved in music ministry and being a part of an exciting place of ministry!

A special thanks to all for all of your prayers and visits during my recent hospitalization. Knowing that my church family and friends were supporting me in my time of need meant so much to Amy, Hannah, and me. It was very odd to be the one on the receiving end of prayers and blessings in the hospital. Visiting and praying with you in your time of need is one of the great honors I have as a minister. Thank you for ministering to me when I needed it the most!

Be on the lookout for our Fall date to begin choir ministry again. **Upcoming 6th graders are encouraged to come and continue their singing skills in Student Choir** when it starts back. Parents, thank you for your faithfulness in bringing your children to musical experiences, and thank you choir leaders, for your unwavering dedication to teaching!

Do you have an interest in technical support for our worship ministry?

Sound, video, and slide techs are needed. Training is available for all positions, but it is a help if you have some background in working with sound and audio/visual areas. We are currently experiencing fewer slide techs due to life changes. Maybe this would be a great area to start? Stop by and talk about how your skills might be a good fit for Trinity.

Until we meet again!

Steve

"Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things."

All men and boys are invited to join us for a time of fellowship over a hearty breakfast prepared by Trinity's own. After the meal, we'll hear an encouraging message from Pat Teague, former NFL linebacker for the Tampa Bay Buccaneers, NC State All-ACC standout, and now director of Sports Mission Outreach. With decades of ministry experience, Pat shares a powerful message of purpose and faith, encouraging others to live as "Starters for Jesus." Recruiting College Encouragers

**The College Student Ministry Lead Team
is in need of the following help:**

**Individuals to serve as encouragers
for our students during their college years**

As an individual or family, serve as an Encourager for a student who will be assigned by the end of May. Many of our current Encouragers have had the same student since their Freshman year of college and have been able to get to know the student and family over time. We need enough volunteers to give each rising Freshman an Encourager and to fill in open spots for the older students.

The Encourager will:

- make contact with the assigned student during the summer
- will communicate with the student by phone, text, email or mail (cards and small treats; birthday card) each month during the year.
- will commit to pray for the student!

**Classes willing to donate items
to be mailed to students during the year.**

As a Sunday School class, collect useful items and snacks in August and September that the lead team will then send to students during the year. Items might include but not limited to: pencils, pens, post it notes, USB drive, nabs, hard candy, microwave popcorn, and \$5.00 gift cards to Starbucks, Bojangles, Chick Fil A or Target.

If individuals or classes are willing to serve, please contact Taylor Miskel (tmiskel@tbcraleigh.com) Sue Glover (sue.c.glover@gmail.com) or Mandy Warren (amwarren101@gmail.com). We look forward to hearing from you!
